BRITTANY LOVE

LIFE'S A BEACH FOR
GEORGIA PEACH!

Tanned, toned bodies glistening with a sheen of sweat, gasps and panting evidencing extreme physical exertion, grunts and groans as two perfect strangers push themselves beyond the limits, a high-pitched squeal as a female voice urges, "O God, yeah—fuck my big tits, please!" When bra-busting Atlanta-born strip star Brittany Love headed down to the Caribbean intending to do her last-ever hardcore fuck scene exclusively for *Gent*, we knew the action would be intense. We just didn't realize *how* intense!

Of course, we've come to expect 110% from this little lady with that magnificent 40DDD-24-36 chassis—and when she announced her desire to sign off her hardcore humping career by seducing a perfect stranger on a tropical shore! (ne we never doubted she would)

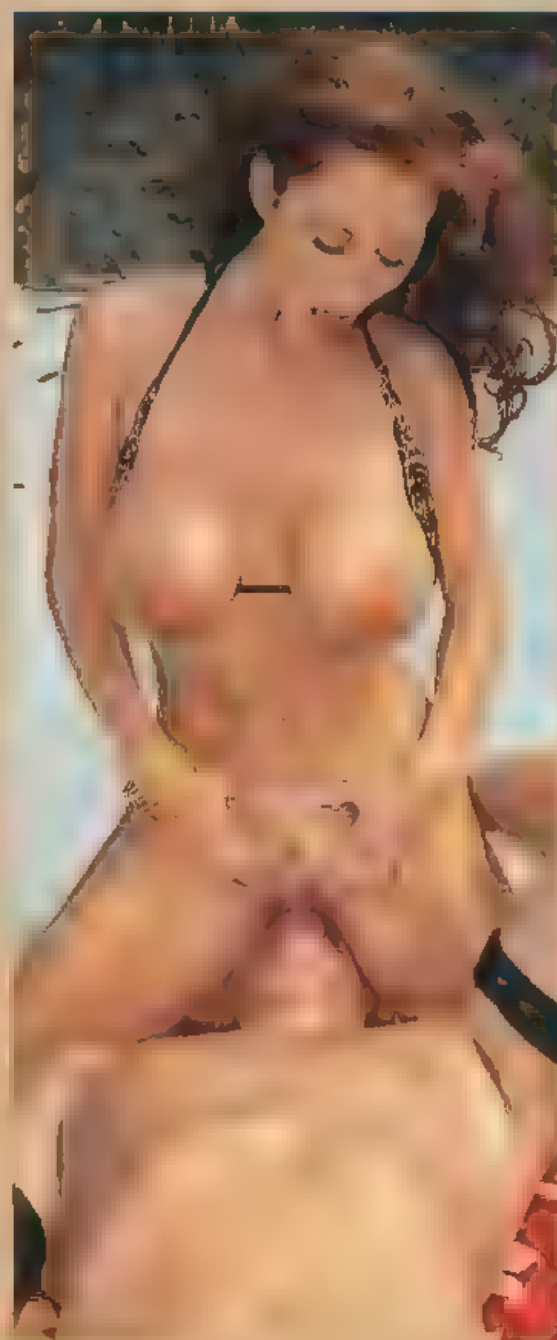

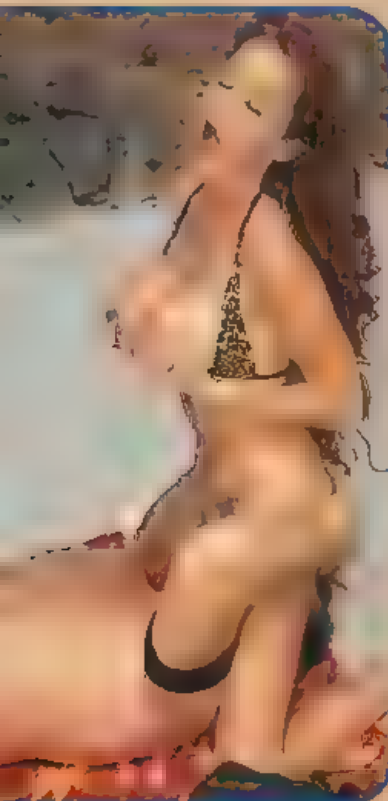

The lucky guy she found was called Rod. He put up no resistance when Brittany made her carnal intentions plain. He told us he'd traveled to this exclusive beauty spot to brush up on his panting technique, but the moment Brittany nuzzled her face into his crotch, Rod lost all interest in aesthetic endeavors, choosing instead to succumb to the seductive charms of this stacked bikini babe. His fingers caressed at her bulging bosom, hands overflowing with those full firm titlers. Brittany was on the money when she despised her prospective conquest strolling along the sand—this guy Rod was a tit man through and through!

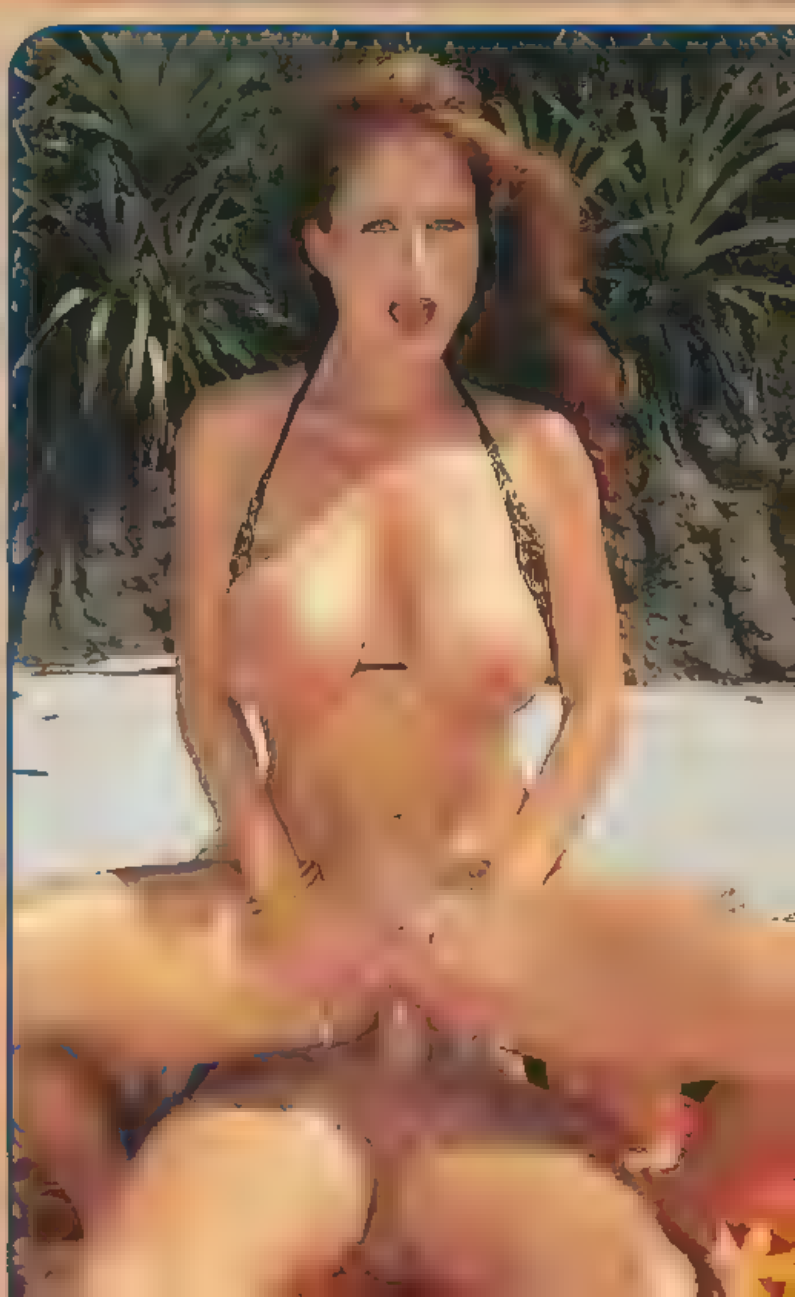

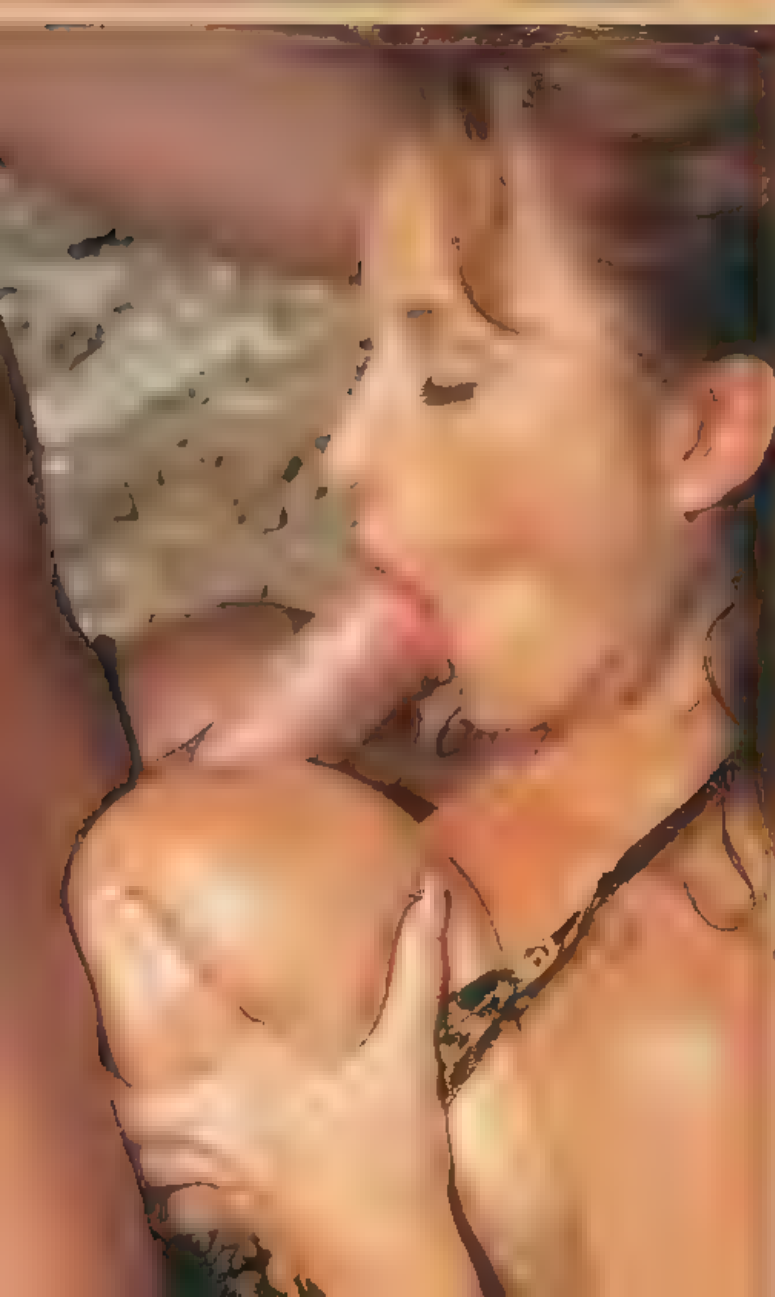

His hunger for her huge hooters was unrelenting. Any chance he got Rod icked, sucked and squeezed Brittany's brimming boobage. To her delight his prick emerged erect and upright as Brittany took it deep between her liquid lips before sinking her slick sexpit onto his rigid rocket and riding him hard and fast.

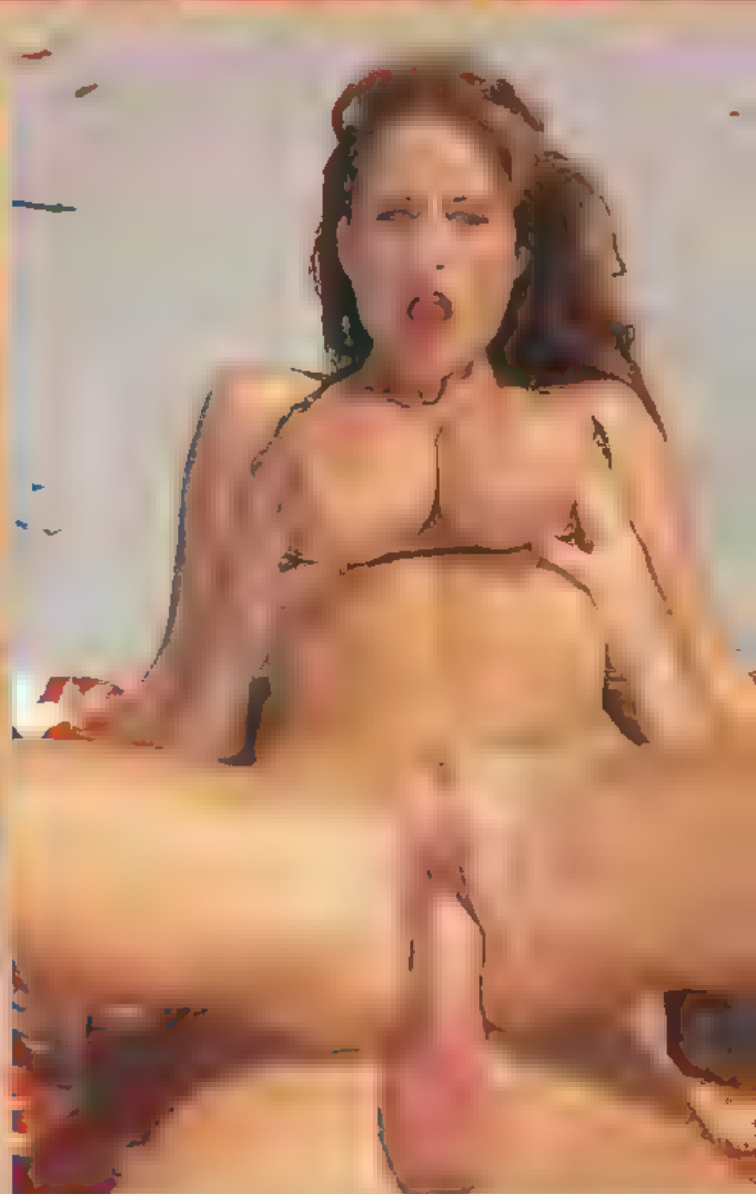

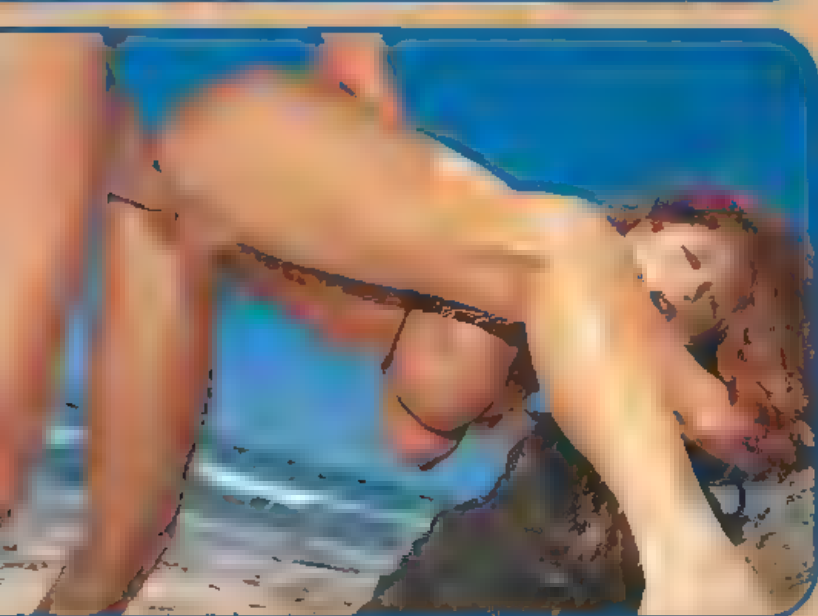

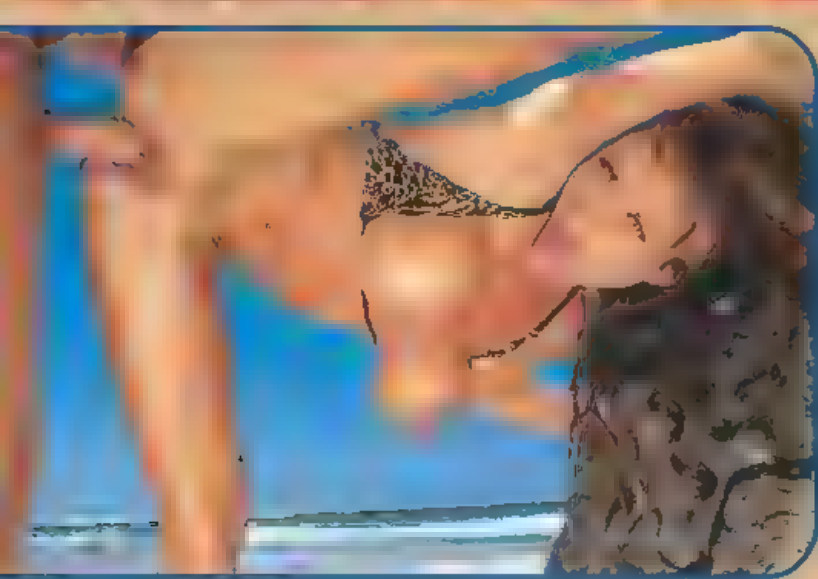

The coupling of these two frenzied fuckers was never going to want for abandon and sexual stamina, but even Brittany found herself marveling at this stranger's sheer relentless powerhouse pussy pounding. As orgasms jolted her from head to toe, as he drove his dick into the depths of her snatch—even invading her tight asshole briefly—Brittany realized she was bowing out of XXX action in fine style.

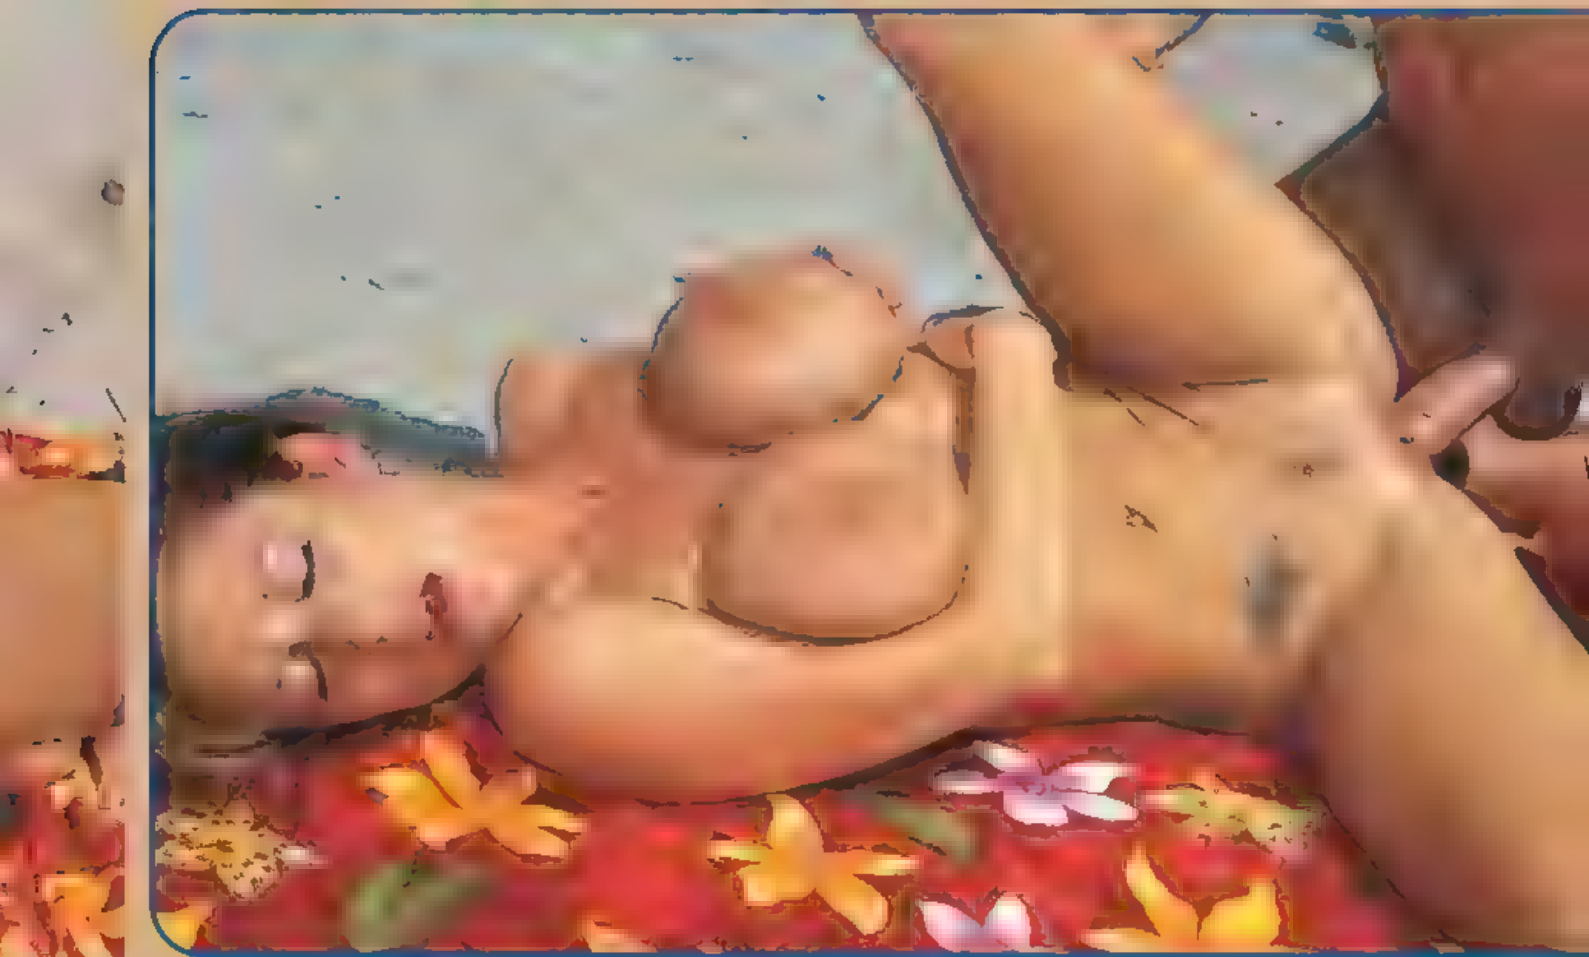

She still held one last card to play, though—and as Brittany pushed her glistening globes around Rod's super-solid shaft she knew this was her ace in the hole! It was time for this funbag freak to lose it completely. The smooth embrace of her jugs on his joint unleashed his deepest desire. Suddenly Brittany was on her back on the sand, gleefully cramming her gazongas tighter on Rod's lunging length as he humped her honkers like his life depended on it. Yeah, she thought, he's going to give me everything he's got! Sure enough, with a roar of release Rod deluged the legendary Love muffins with gusher after gusher of thick creamy goo.

As her conquest crumpled in exhaustion, Brittany savored the streams of spunk trickling over her swollen sacks and dripping from her tingling teats. Her pussy still throbbed from the furious fucking it had had, and the last orgasmic pulses ebbed from her as a brilliant sunset illuminated the idyllic scene. As filthy farewells go, this one would take some beating.

CASSANDRA

STACKED
SLAMMIN'
SEXED-UP
SLOVENE
SLUT!

Choice-chested Cassandra emerged from Eastern European obscurity to establish herself as one of the finest big-boob porno talents seen in many a long year. When she made her American debut in the 2001's *Introducing Cassandra*, we were overwhelmed by an avalanche of mail from connoisseurs of killer cans proclaiming her the first big busty phenom of the 21st Century.

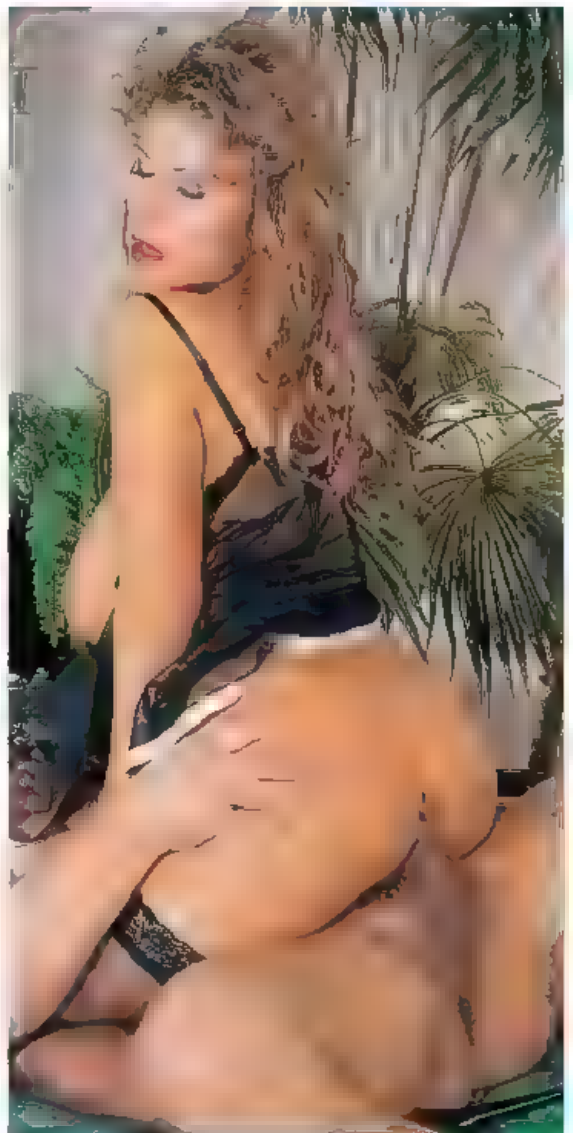

It was a verdict with which we feel heartily inclined to agree. After all, not only did this sublimely stacked Slovene ex-bitchish 38DD-28-36 expanses of undulating flesh, she also had a profound passion for pecker-packed into every exciting inch of that 5'4" frame. She may have seemed lazily languid at first, but the instant you placed a slab of dick in front of her she changed. Her eyes lit up, her nipples hardened and it seemed every ounce of her being was channeled wholly into pleasing that prick—and having that prick please her. What's more, she invariably displayed a thorough knowledge of what nasty things she could do with her weighty whammers on a wang!

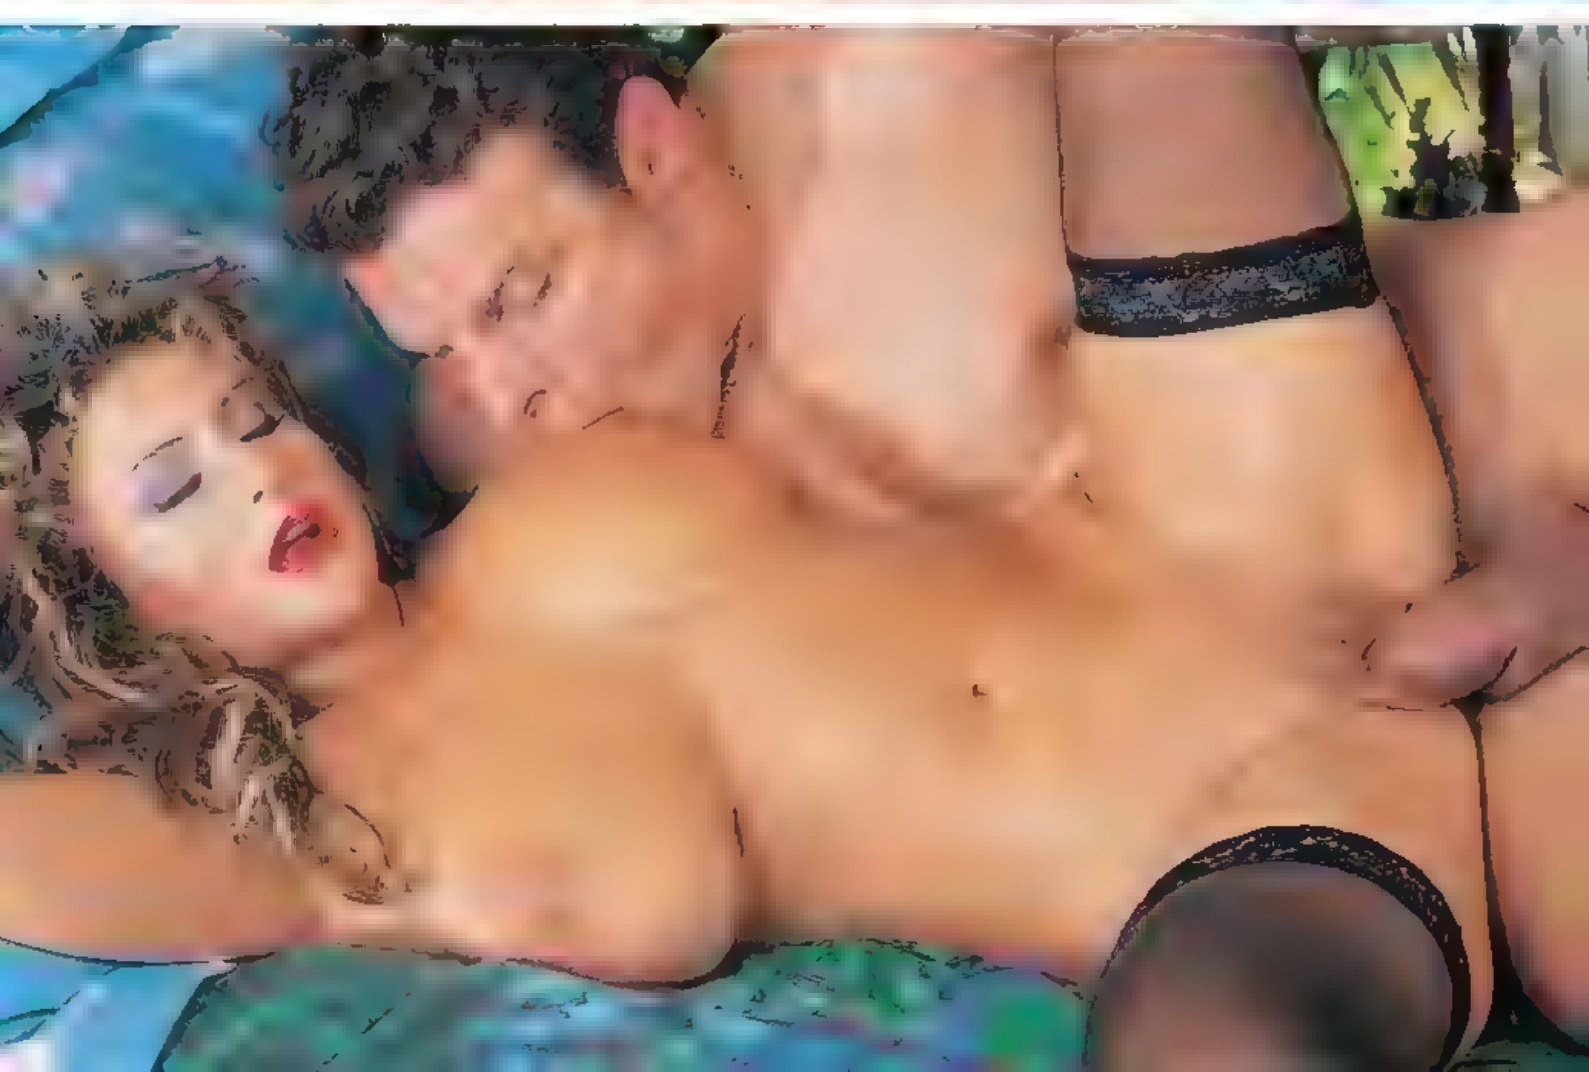

Cassandra was soon virtually a fixture on the West Coast hardcore scene for a year or so, before circumstances too complex to detail here saw her returning to Celje, her Slovene hometown, where the natives—recognizing her success—hailed their local gal made good. Back in Europe and far out of reach of the forces of repression over here, Cassandra felt it only right to showcase her appetite for extreme action at its absolute nastiest. In no time at all, she was abandoning herself to the jizz-drenched arena of the **German Goo Girls** continental cum-orgies. And monumentally sordid it was, too.

"I feel, hey, what the fuck? Europeans are free to express sexual desire, so why not express those crazy ideas I had so long?" she insists when we ask how she's making out back home. "I'm very much loving being in Europe!" Cassandra replies cheerfully in that heavy accent, "I came to the USA to become known, and be noticed by the men who love women big breasted and like to fuck. That was what happened—all day I was having so many offers to come make videos, enjoyed myself so much. The sex was fantastic too. I never dream to meet so many sexy people and fuck with them!"

Her remarks may draw attention to something several critics noted regarding Cassandra's screen presence. "Yes, I know my English was not good," she recalls with a shrug and a smile, "Always I try to learn. People think it doesn't matter because it's sex films we're making. But you know, I think it's right to try learning the language of where you live. Because even if I love sex every hour of every day, have to live like a normal person when I'm not making movies. If the only words I know are 'fuck me, stud!' how can that help at the grocery store? Actually, I can see now that could be useful, can't you?"

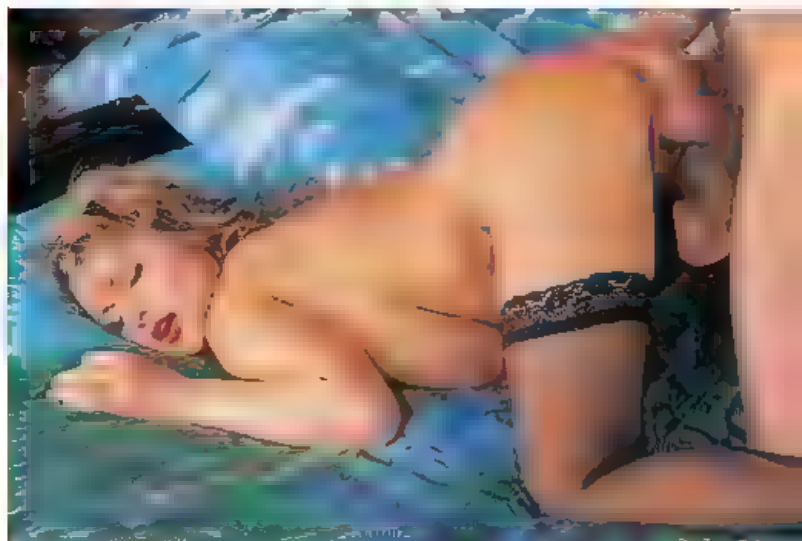

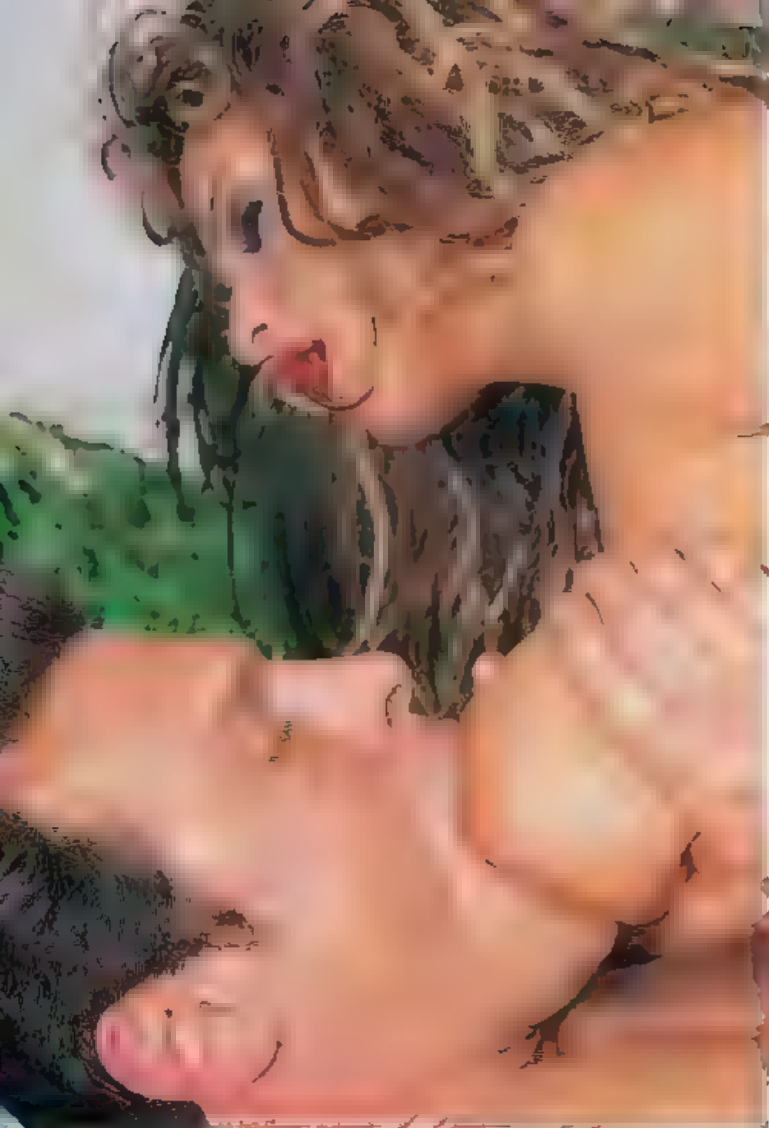

But in front of the lens is where Cassandra feels most at home. A chance to utilize her phenomenal physique to the limits of incantiousness is of especial importance to her. "I think it's so great people love my boobs so much," she purrs like a pampered pussy. "Use them to make my men cum always these days. I figure I'm the absolute hottest tiffucker **whatever** side of the ocean I'm on!"

**CHERRY'S
BIG ANAL
OH H H H H!!**

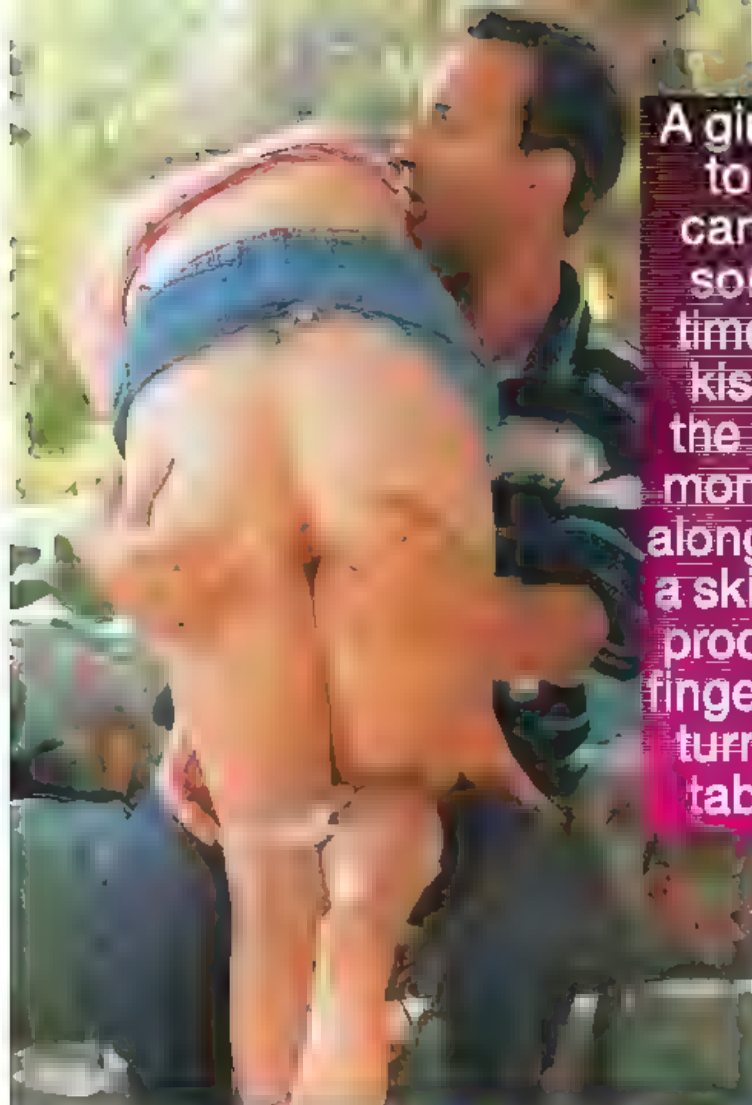

**And she thought
SHE'D be doing the
enslaving!**

Cherry Poppins started out wanting to show our photographer how easily she could ensnare experienced porn stud Dino Bravo, but after a few minutes, the tables were turned! True, saucy Cherry had the situation well in hand at the beginning, letting Dino nibble at her soft white flesh, suck on her darling pink nipples, and then taking his stiffening cock into her mouth. But the way he started stuffing his finger into her asshole while kissing her did something to Cherry, set off little explosions in her crotch, and soon she and her lovely girlie cheeks were the willing slaves of Dino's dark thrusting meat.

Cherry's earlier plan was to get Dino to pop first, and so it was a big surprise when she found herself on an express to the Big Anal Ohhhhh well before Dino was done. But it was a happy turn of events, of course, as she heid onto her lovely red pubic patch as if it were a lifeboat in a sea of churning climax—and as she let loose with passionate cries and came with sweet force and giggling relief all over Dino's cock! And oh yeah, Dino eventually came too! ♦

A girl has to be careful; sometimes, a kiss at the right moment, along with a skillfully prodding finger, can turn the tables!

Tingi & Amy

Amber was the quiet new girl in the back of my senior honors English class. I never want anyone to feel left out, so right before midterms, I asked if she wanted to sleep over and study. I thought we were going to compare notes and talk about boys and do each other's hair—but, wow!—was I wrong! Instead, we made out and licked each other's pussies all night long! And when Amber crammed that dildo into my slick, shaved mound, I came harder than I ever did with a guy! She even licked my asshole as I came all over her hands and face! I always heard that you had to watch out for the quiet ones, but I never believed it! Having my pussy put through the works by the quietest girl in class was a definite wake-up call!

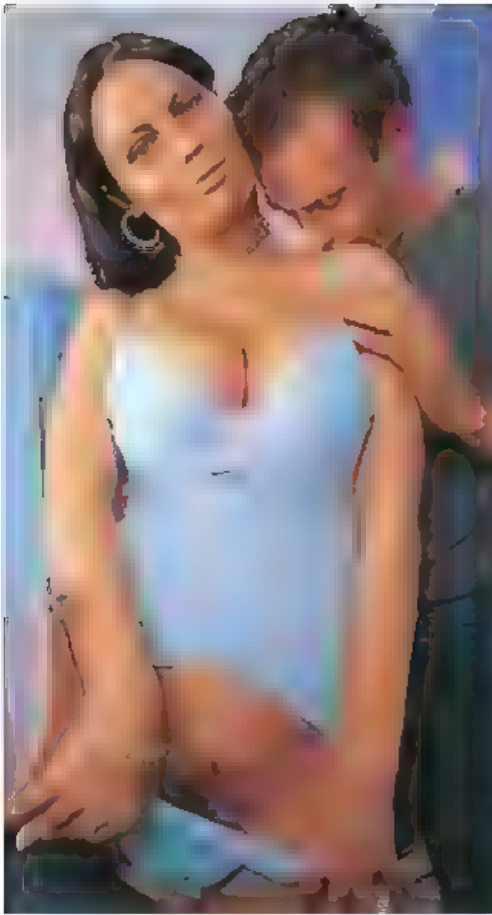

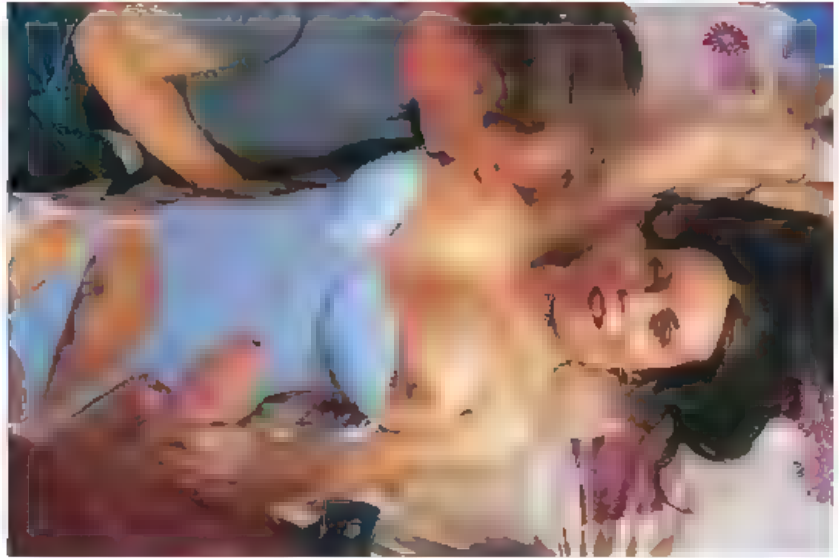

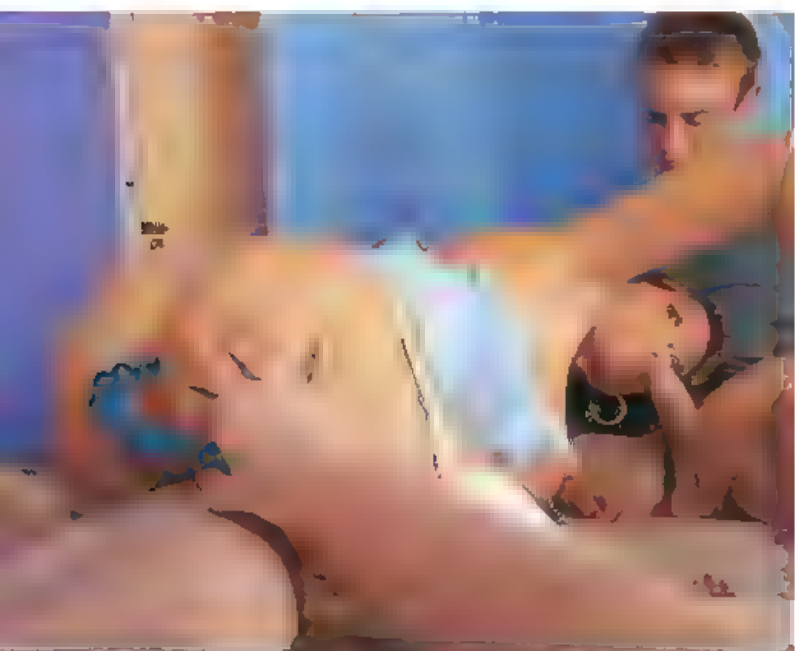

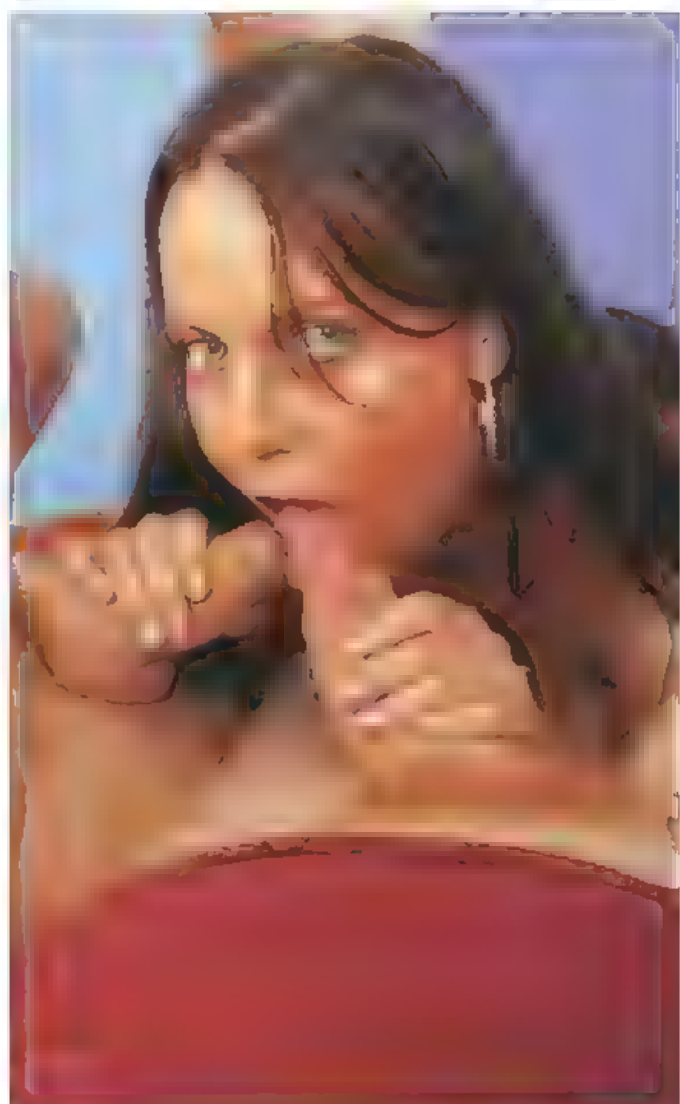

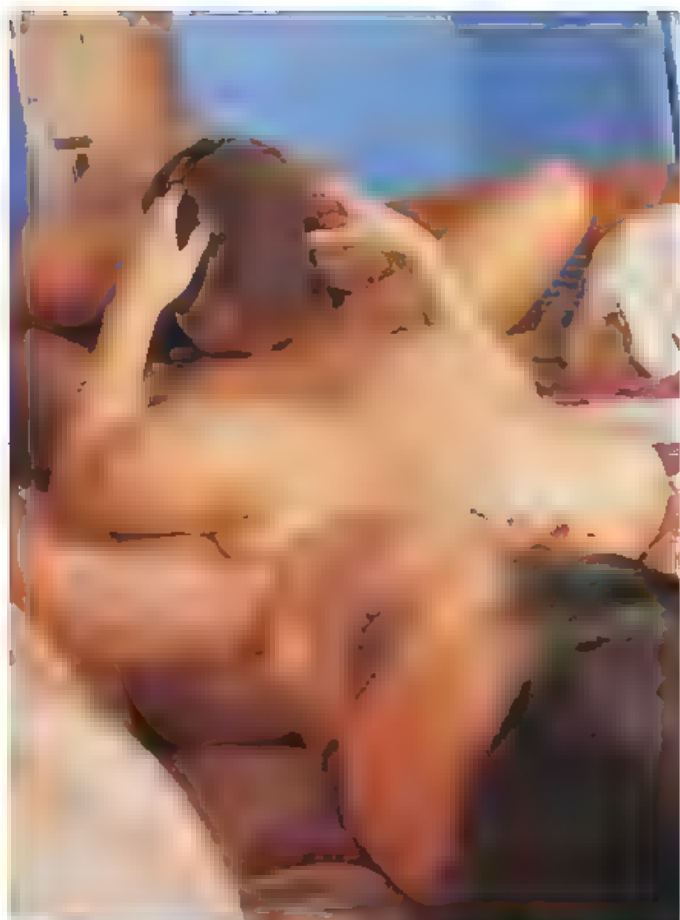

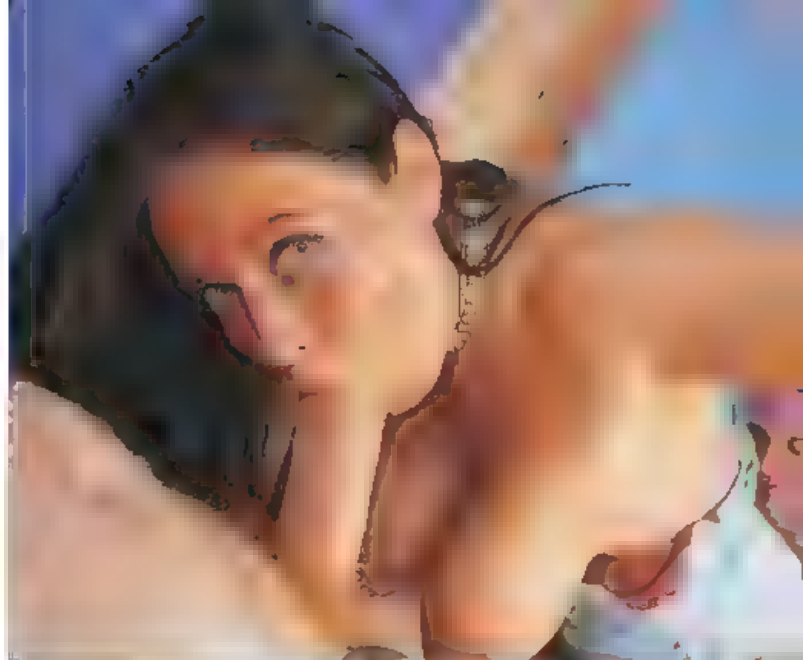

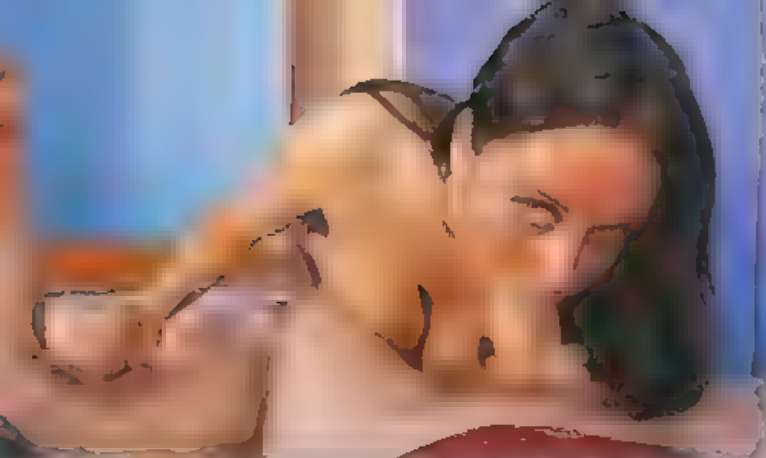

ALEXIS

JUICY JUGS
SEX FREAK
DELIGHTS A
DIRTY DUO!

Once a guy gets his hands on Alexis's rippling al-natural rack it's only a matter of time before he'll need his prick in her peachy pussy—and that need will be reciprocated in spades! "I experience all kinds of sexy sensations whenever a man caresses me a little," sighs the raven-tressed 25-year-old lusty lassie of Scottish-Spanish extraction. "When there's strong hands playing with my ass and squeezing my big bouncy boobs, the sensual excitement shoots right through me. My nipples get hard and I can feel the ache in me. I need to get licked and sucked—and that's all it takes to get me so incredibly aroused that I've got to be fucked and fucked really good!"

And the evidence is here for all to see. This wanton wench eagerly offered up her 5'6", 124 lbs. and 38DD-26-36 goodies for nasty attention with zero persuasion. When she showed for her shoot she'd only agreed to pose solo. But once our photographer started snapping her urge to be outrageous, rapidly came to the fore. "I was in such a horny mood that day!" Alexis snickers shamelessly. "When I saw my titty-squeezing and fingerfucking my wet pussy had given the photographer's assistant, Chris, a big stiffy I suggested we try something more exciting. Everybody decided that was a great deal!"

This represented the achievement of a cherished dream for her. The pneumatic nymph had never made any secret of her love for nasty sex. With those bewitching dark good looks, fine womanly figure plus, of course, those spectacularly sized 38DD Johnson-jackers, Alexis had no difficulty ever finding dudes happy to help her slake her need for fast and furious fucking.

After another Friday night thrill-fuck, Alexis found herself relaxing by viewing selections from her pickups' porno collection. "Oddly enough, I'd never watched that much hardcore stuff," she reveals, "I guess I did so much screwing myself I never had an urge to watch other people doing it! Well, while we were watching some movie or other this guy remarked that I ought to try my luck making sex flicks. That kind of flipped a switch in my head. I thought, getting balled on camera had to be more fun than the job I had working in a medical lab. That was the moment I decided to see how far my talents could take me!"

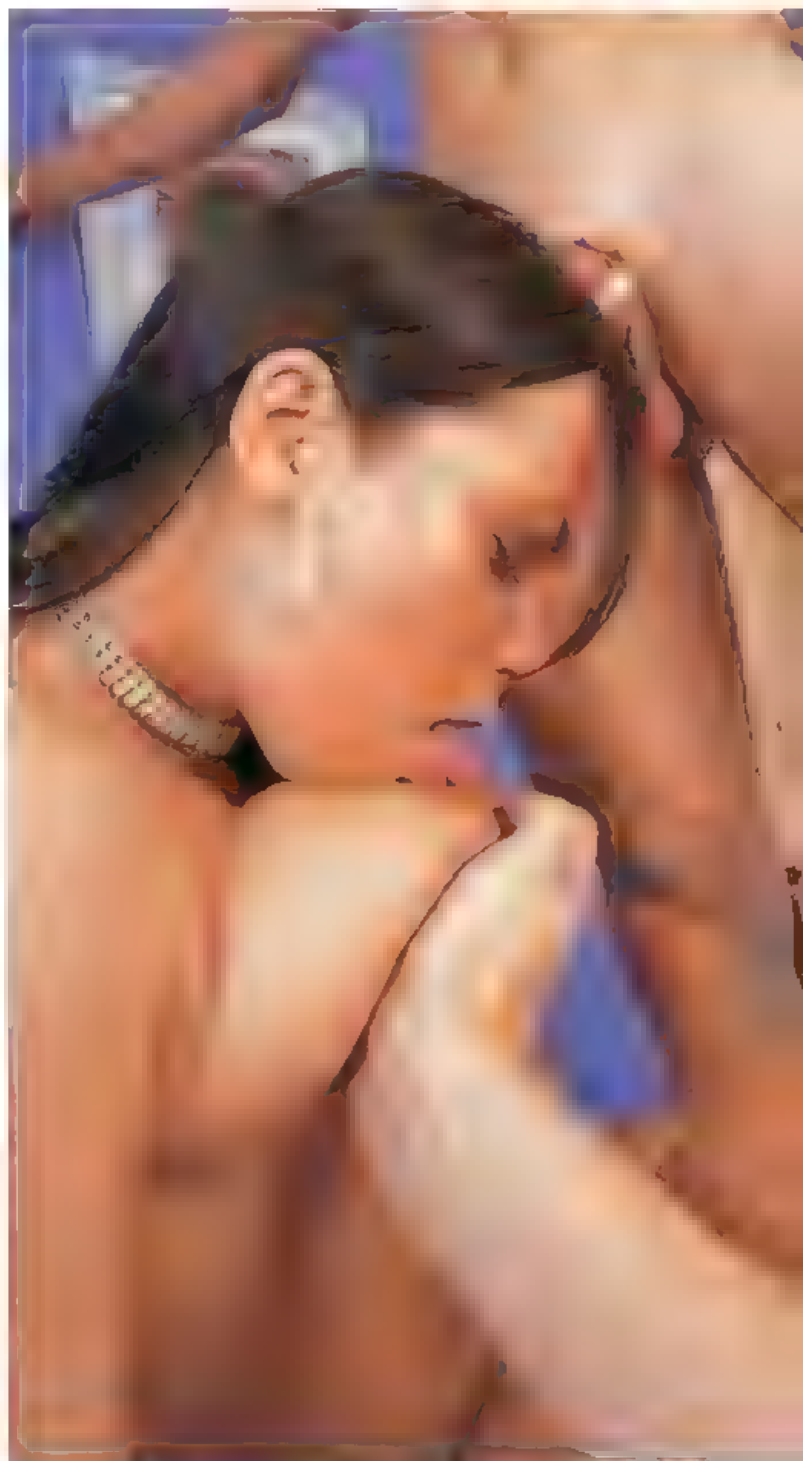

The answer would appear to be—some way! After Chris and our cameraman bestowed on her a bout of boob-teasing Alexis's need for nasty sex was evident. Her juicy cooze self-lubed in a sick most flow of desire. No man can resist that tangy twat and Chris devoured her hot hole while Alexis engulfed the shutterbug's rod with her liquid lips. "Any time I suck a cock, I feel so slutty!" she gasps in breathy delight. "I was raised to be a good girl who never had wicked thoughts ever. So to actually have a dick in my mouth—that's so bad! I know that's exactly why I love to suck cock so much."

Alexis couldn't stem the rising need to have her poontang plugged. "I lost control!" she confesses, "I do love being fucked relentlessly. If any man packs it to me fast and deep it sets me on fire inside. I feel like their cocks are controlling me, as they thrust into my cunt and my mouth like machines designed to give pleasure. My pussy spasms like mad, my boobs jiggle from side to side—sweat trickles off of them."

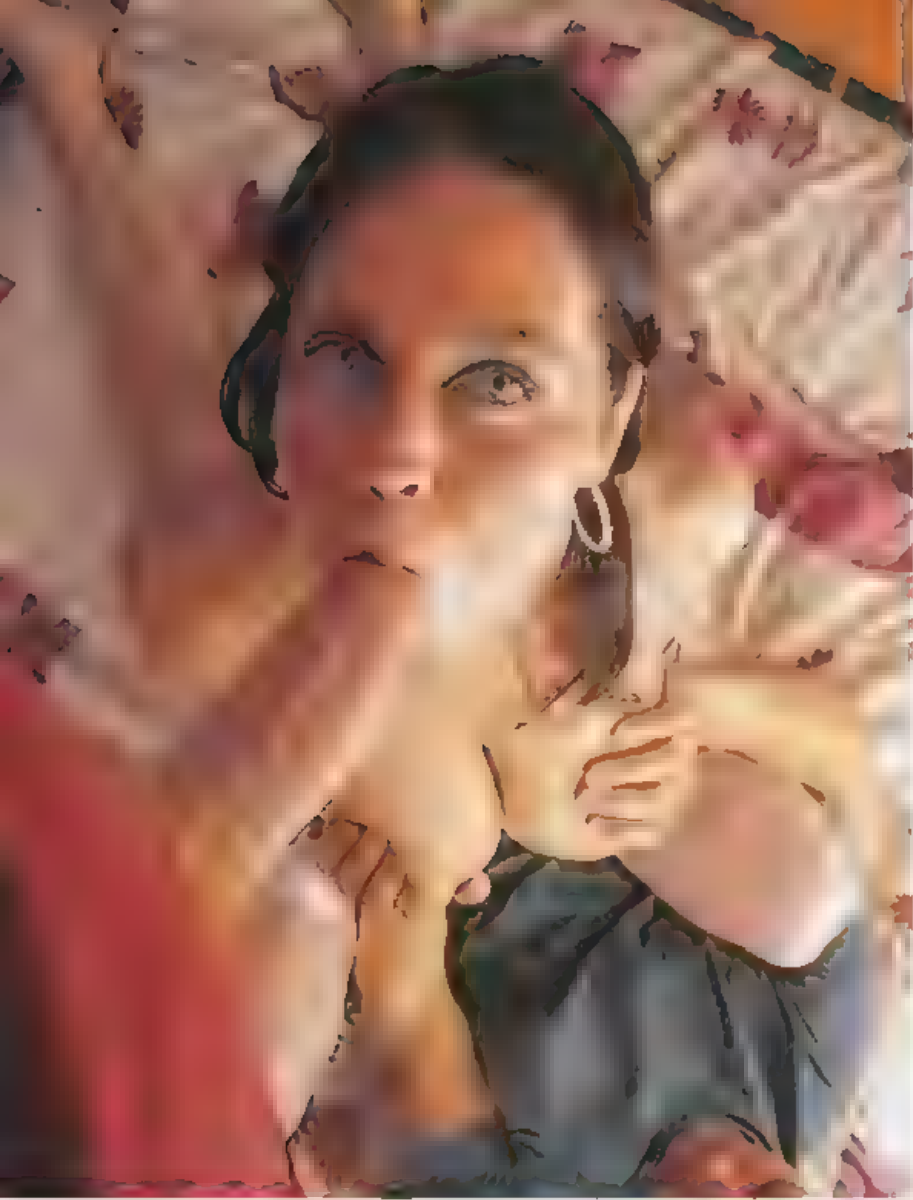

"I feel the energy of my orgasm starting to build," confesses Alexis breathlessly. "And the energy swells up bigger and bigger till I can't contain it any more. When I cum you know all about it—I can't control my actions or how loud I yell!"

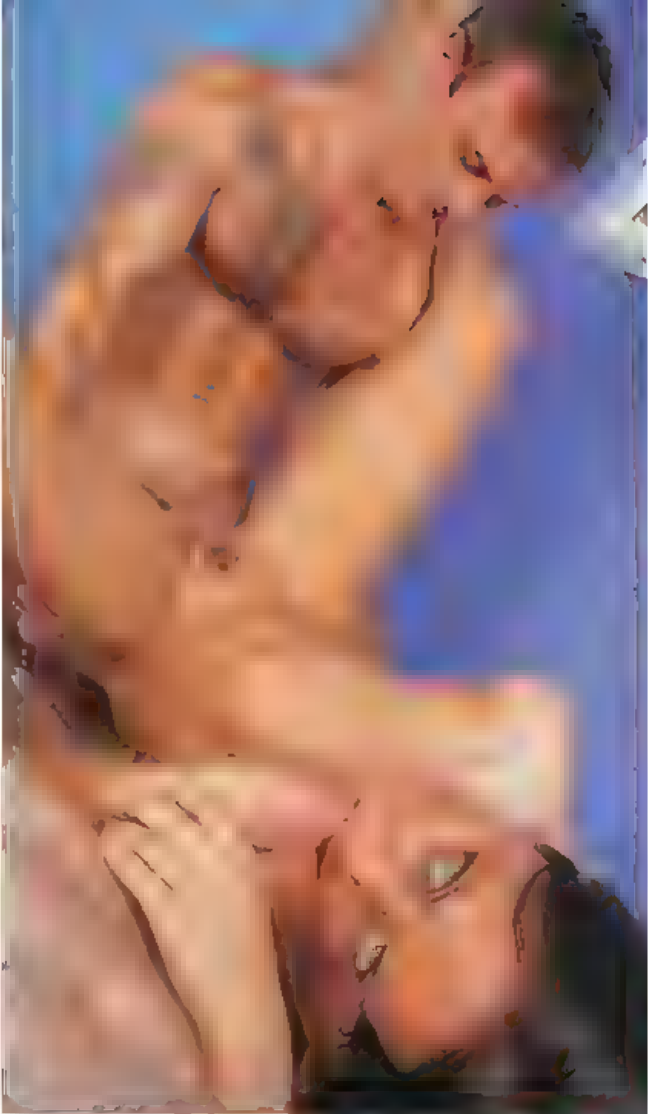

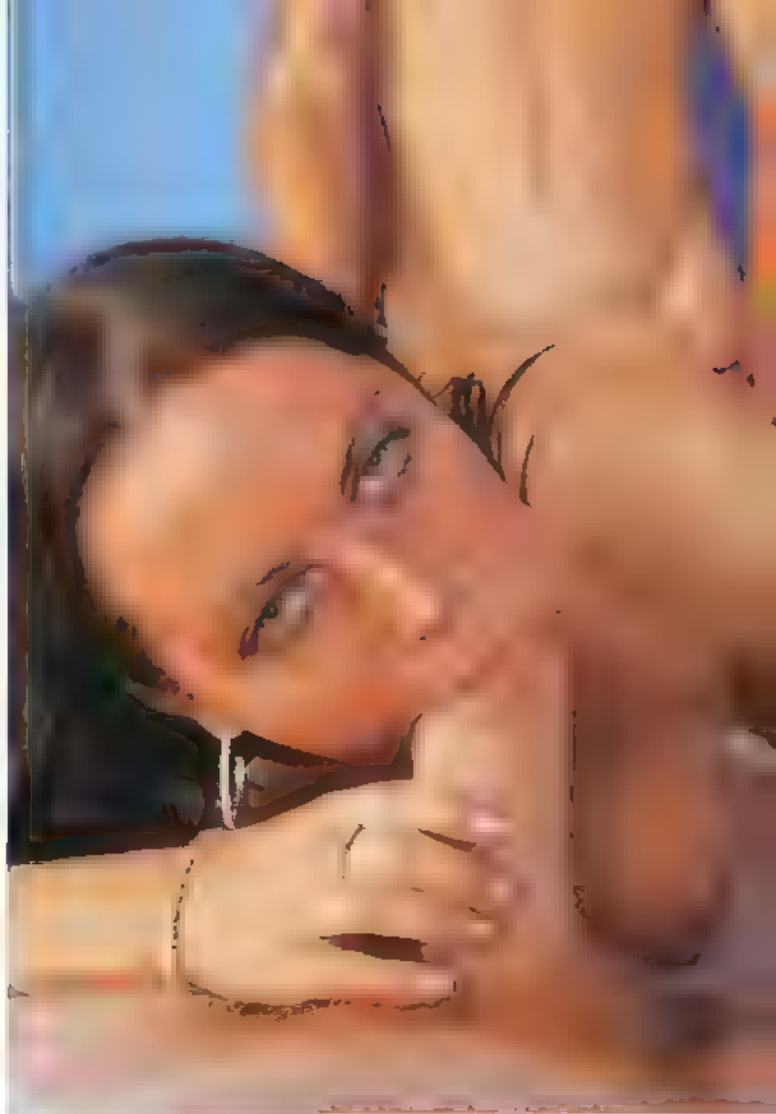

And after such a thermonuclear thrill, how does Alexis prefer to reward her studs? "By letting them do whatever gets them off the best," she smiles, "Usually I push my big bazoors together and have them jizz my tit crack. Men love banging my big boobs—especially when I tell them I want them to shoot the r stuff anywhere they want."

Alexis savors her sublime sex games with the rapture of a genuine XXX fuck sht. "That's how I like a fuck to end," she reflects dreamily. "With me all drenched in my men's sperm. With it dripping off my lips and sliding in thick sticky pools down my double-D knockers. Yeah, that's how to leave me—cum-drenched and **utterly** satisfied!"

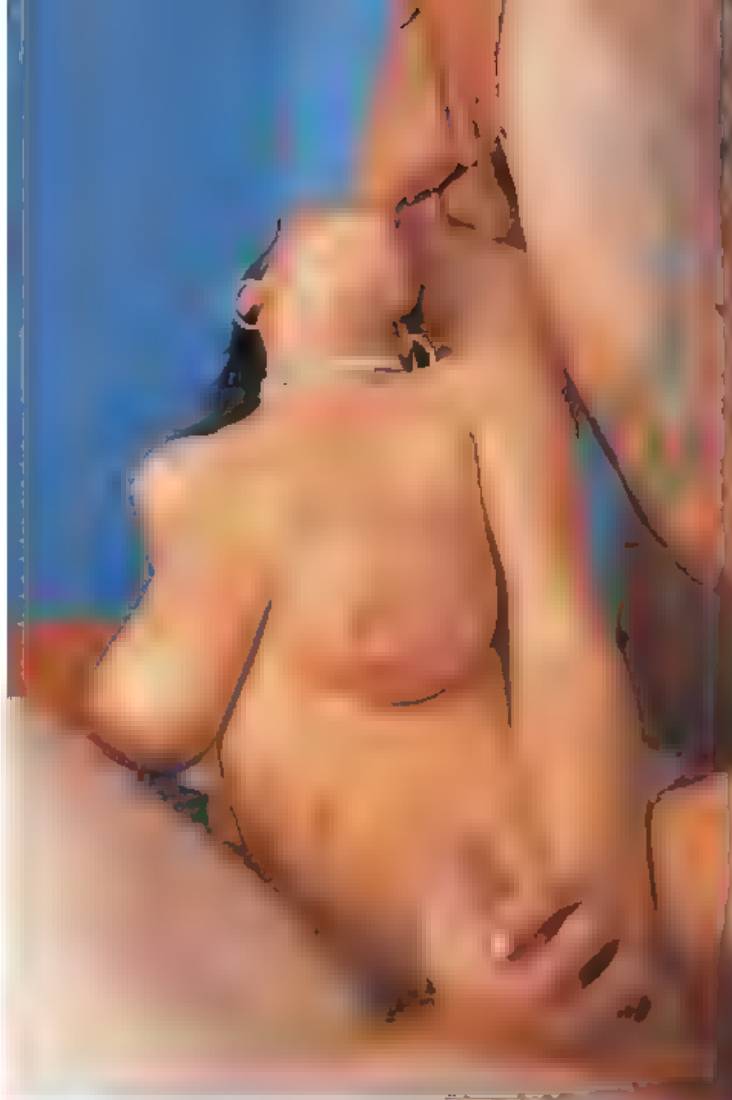

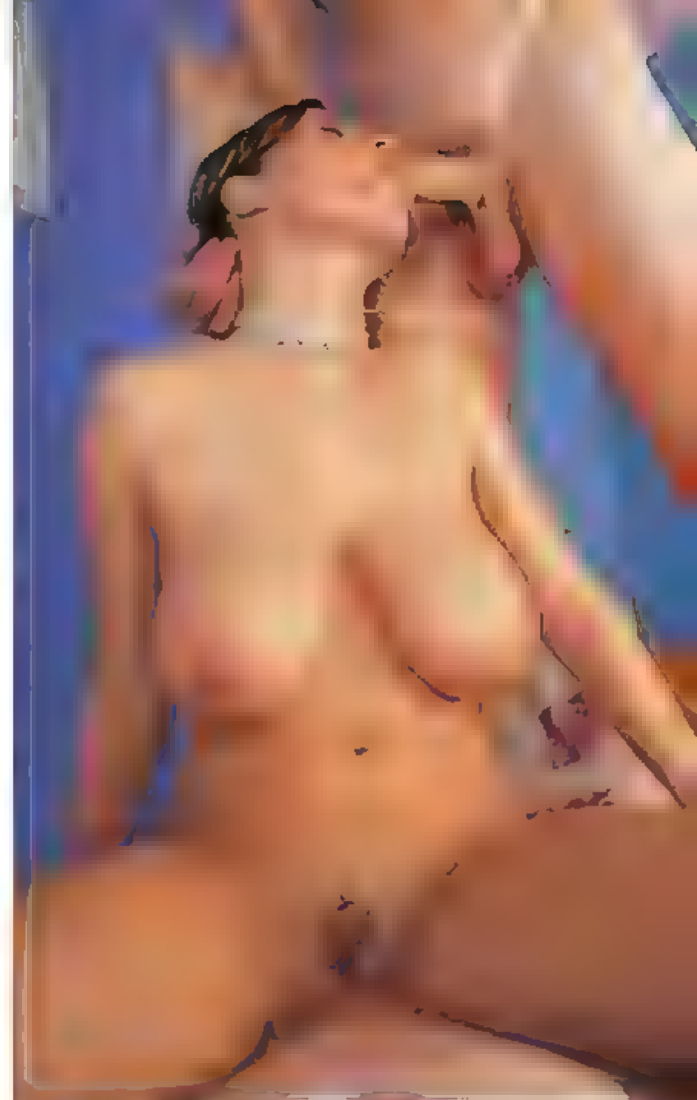

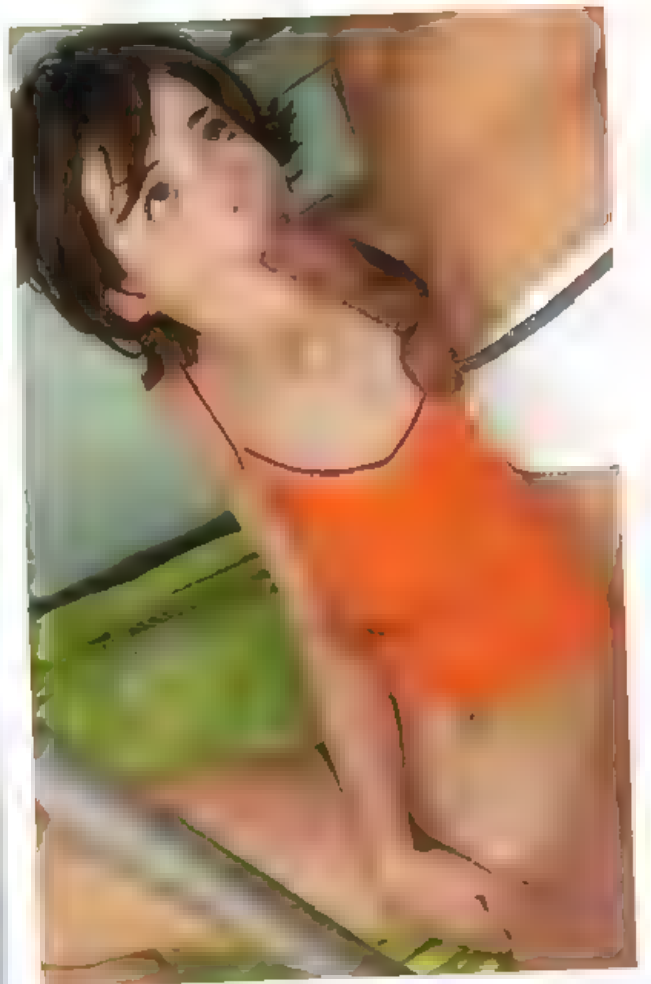

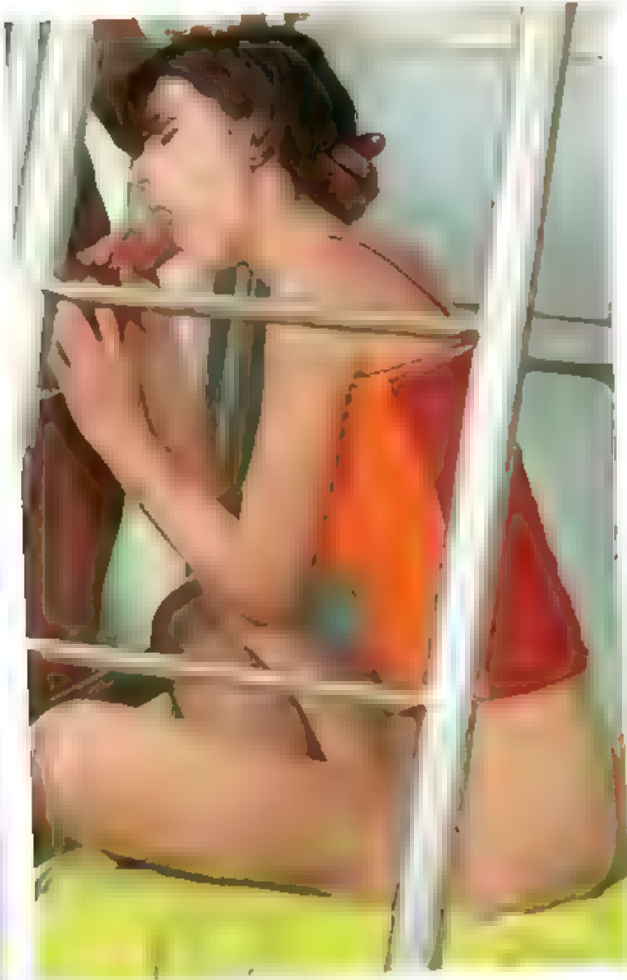

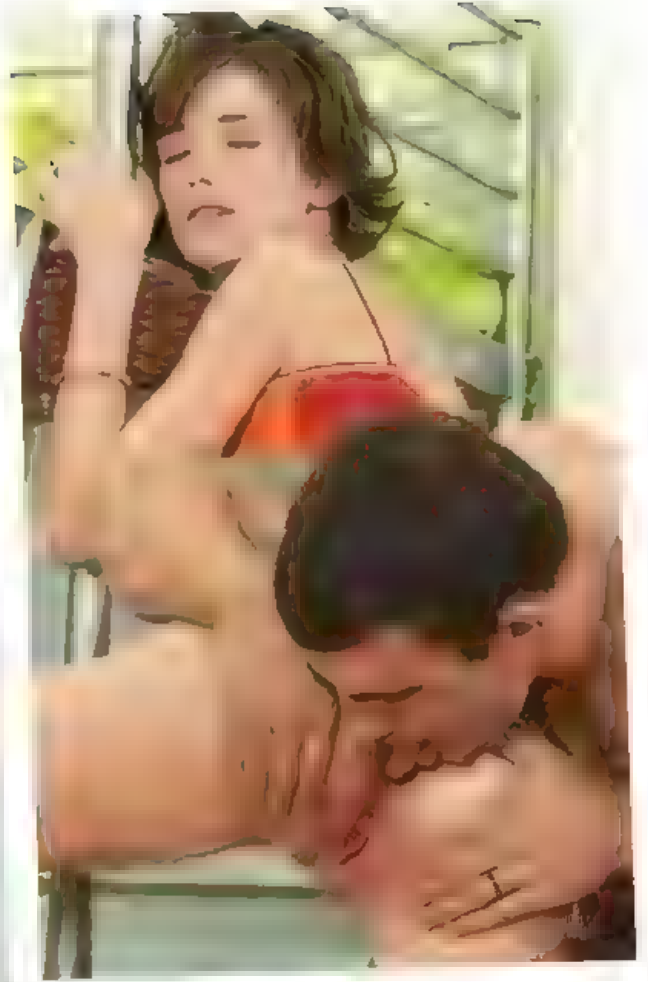

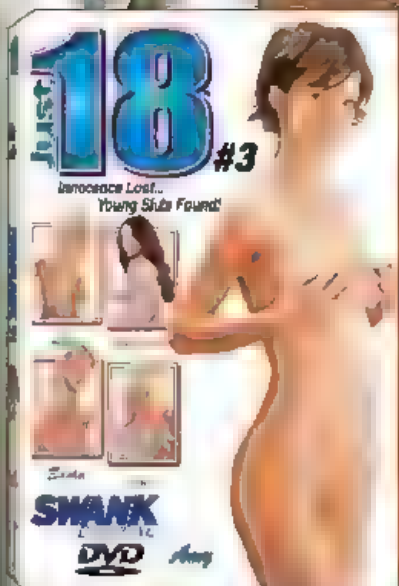

Wow! Amy can sure fit a lot of cock in her mouth! But wait, 'cause it gets even better when her pussy and asshole are crammed with as much meat as they can take! Boy, as cute and innocent as she looks, Amy is one slutty babe! Watch her and the rest of the sweet teen slits get stuffed in "Just 18 #3!" available now at a video store near you or order it easily online at www.buyswank.com or call 1-888-211-8110!

MARY
LOUISE
FOX

BUSTY COED
CUMBUNNY!

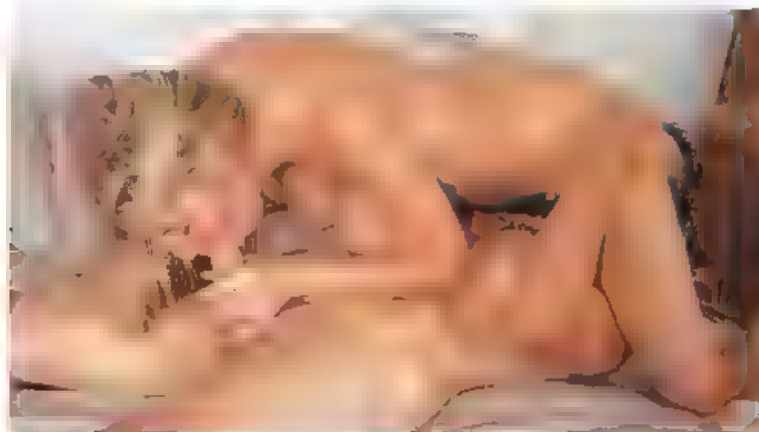

Creamy cupped coed Mary Louise Fox made her D-CUP debut over two years ago, and with her blend of clean-lined blonde beauty coupled with a simply spectacular 34DD-22-34 physique there seemed no reason why this 21-year-old cutie couldn't conquer the world. You may even recall this fresh-faced filly vocalizing a wish to make it huge in hardcore. We'll confess to thinking, yeah, heard that one before! And our instinct seemed on the money when Mary Louise dropped off the radar almost as fast as she'd appeared.

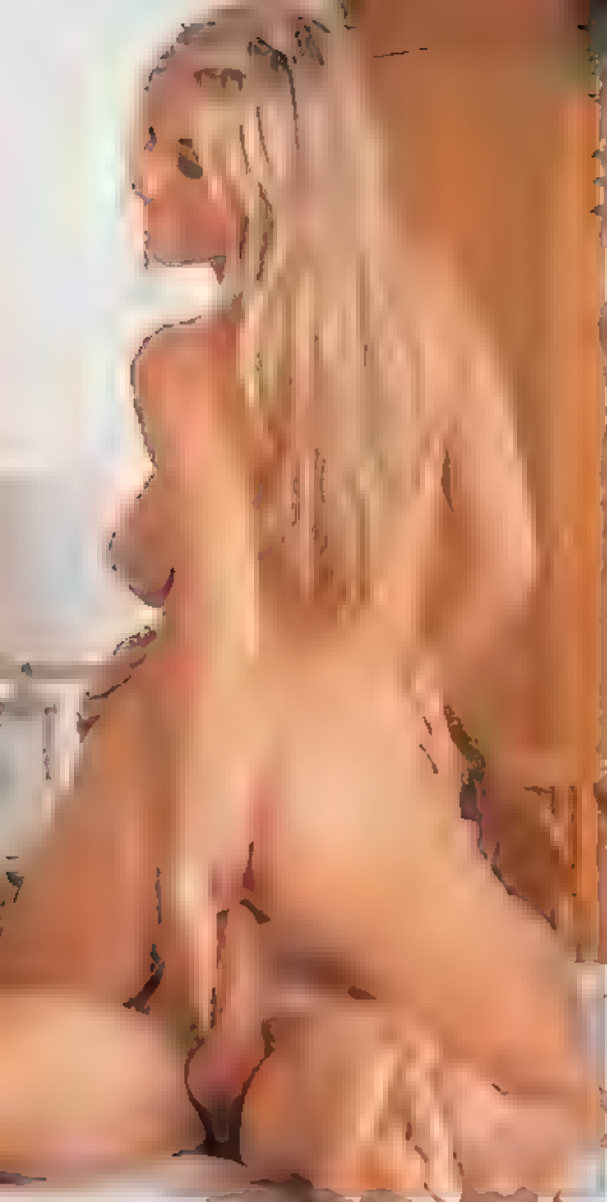

But plain-y Mary Louise is a gal that means what she says. It was with no small degree of astonishment that D-CUP took delivery of this pictorial with Ms. Fox giving us an intensely explicit detail-comprehensive coverage of how down in dirty she can get! It's a big ol' bonus for our boners and we're sure every reader's going to think the same. Nice work, Mary Lou!

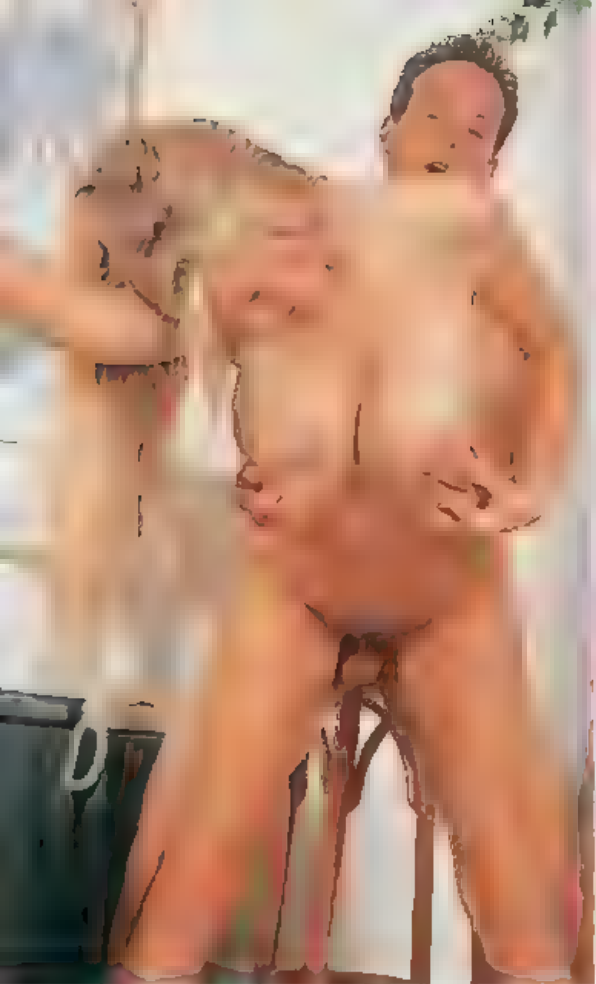

"You didn't really doubt me, did you?" she inquires, "I know you did! But I won't blame you because you're weren't the only ones. I said then that just because I look sweet and innocent didn't mean you couldn't put me with a big stiff dick and I wouldn't get wild. Admittedly, I took a while to get around to doing it—but I have been busy!"

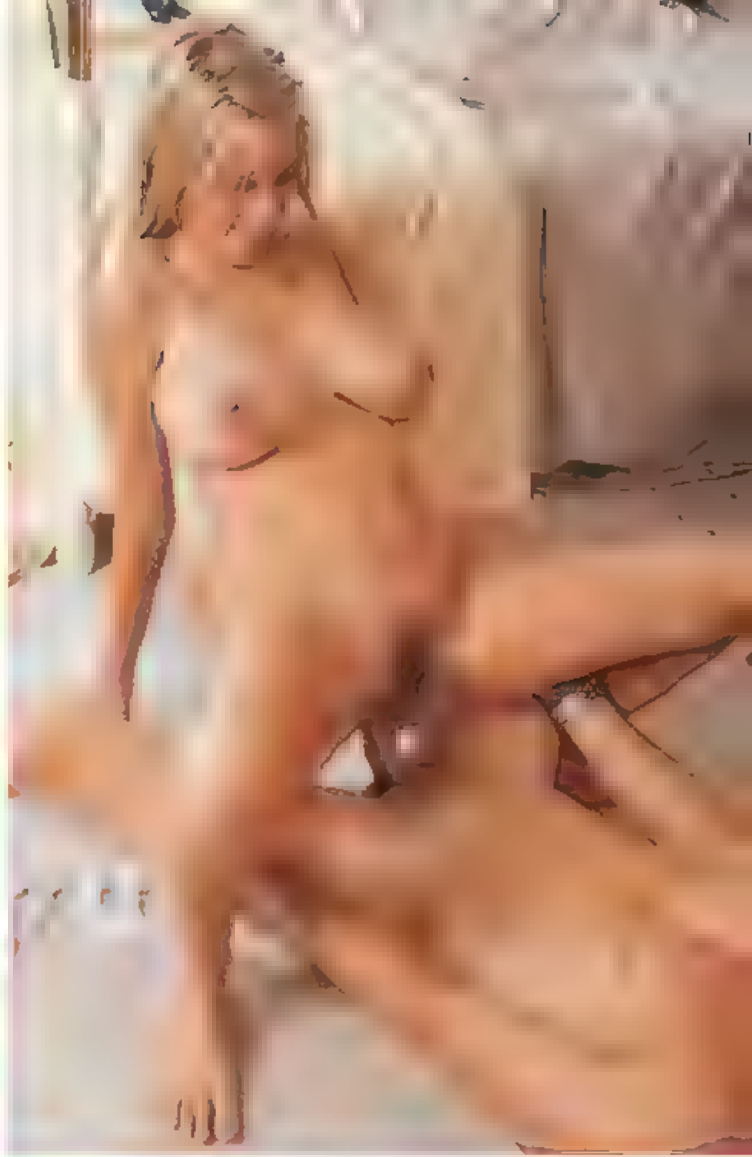

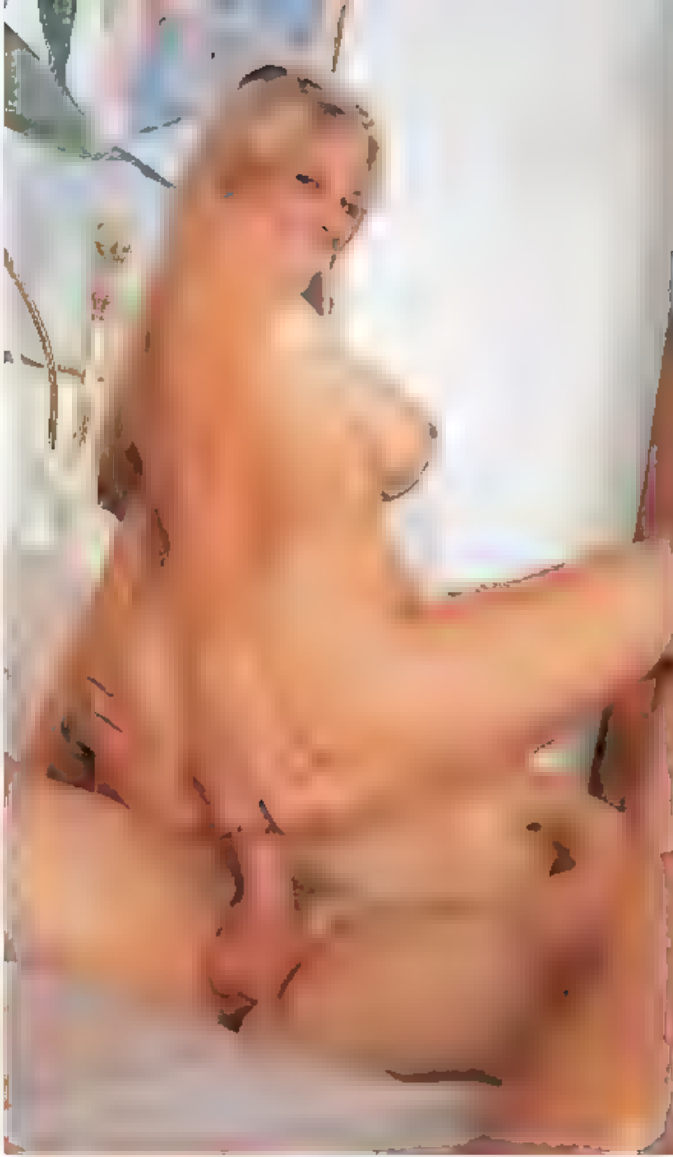

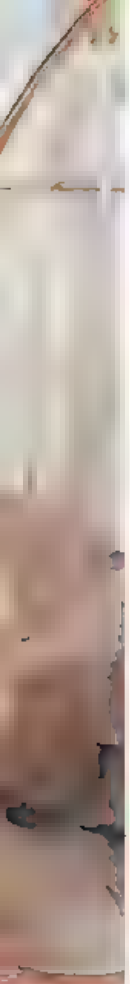

A thirst for knowledge is apparently what's kept this cumbunny occupied of late. She's spent the last couple of years on campus, absorbed in obtaining a business administration diploma. "My looks won't last me forever," she sensibly remarks, "So when the chance of college came up I went for it—of course, what I'd made modeling was a huge help towards paying for my education!"

That's something Mary Louise has kept in mind throughout her time in class. Now nearing completion of her course, and expected to pass with flying colors, she decided to make good on her promise from way back when. "Doing this was really a dream come true and all the better because I knew folks were going to be shocked seeing me," she explains with her glee apparent, "You can see I'm having fun, can't you? And so's my man! That's how I dig making love. I like to do it nasty and I like getting screwed every which way—but mostly I like having fun. I hope that comes over with the D-CUP readers—that I'm a chick who really enjoys her dick."

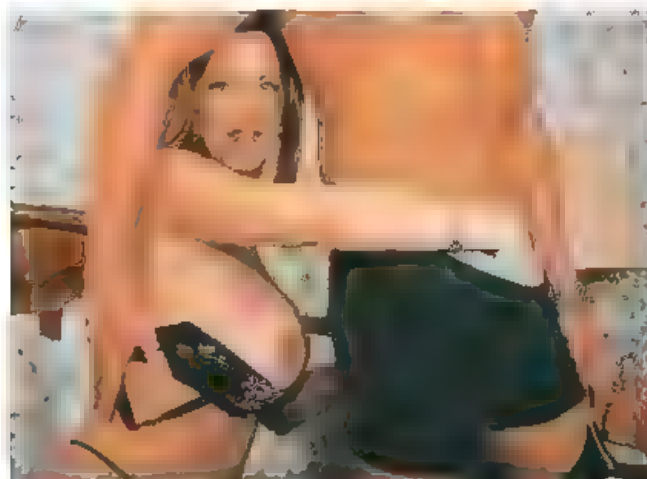

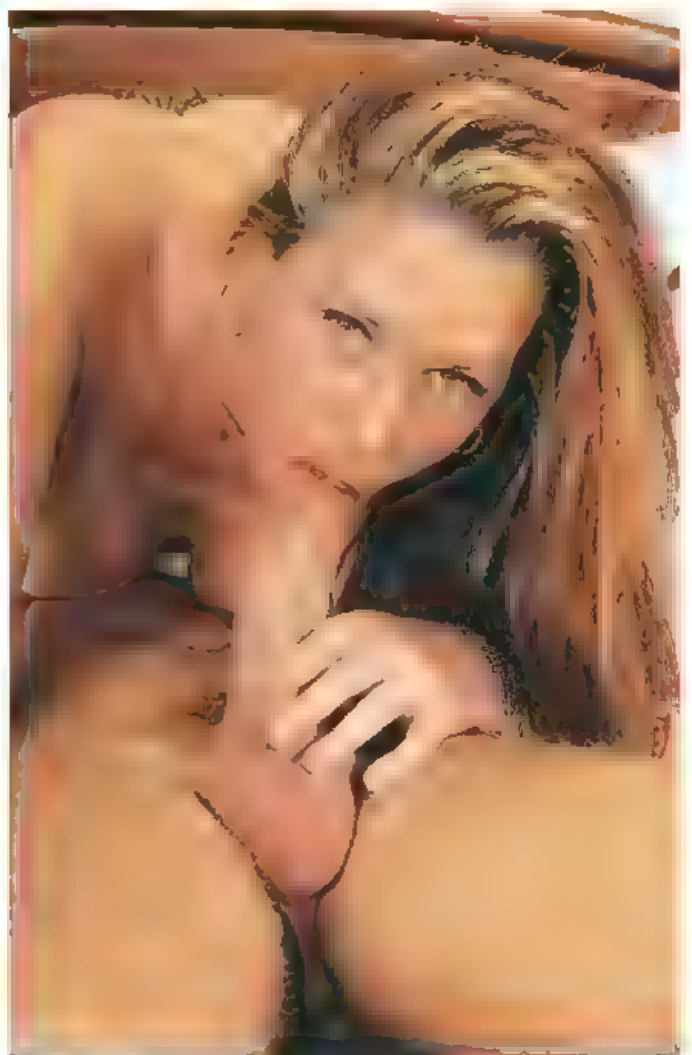

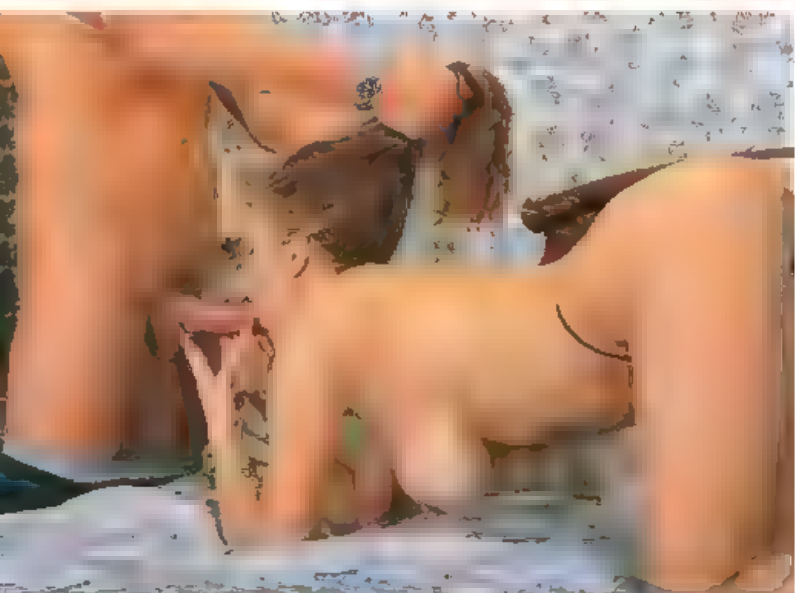

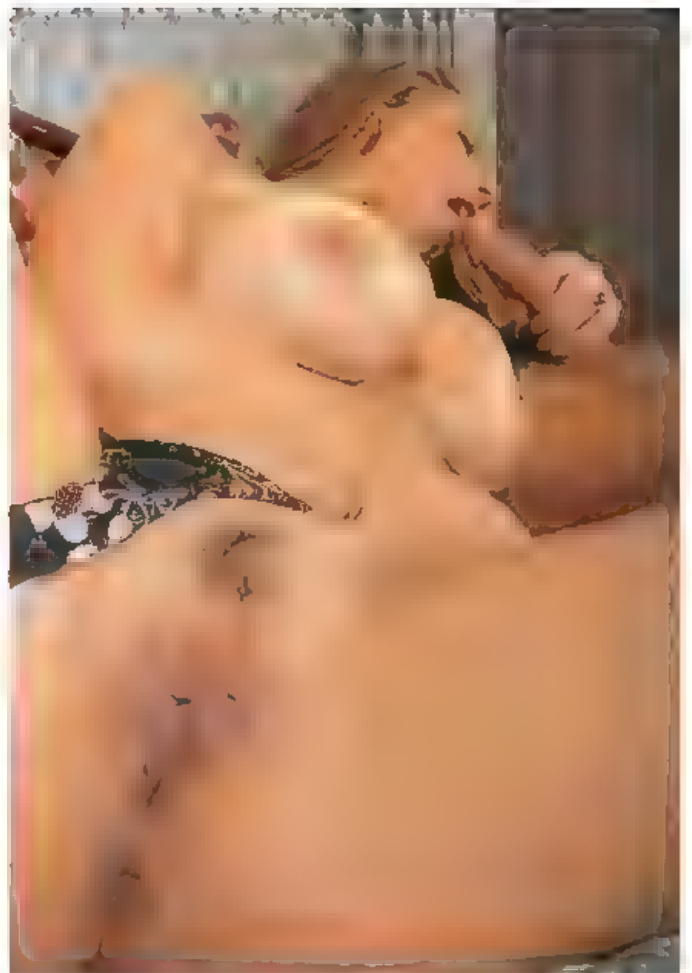

VALERIE FIELDS

**LONESOME
STRIPPER'S
BIG BONER
BEDMATE!**

Stripper star Valerie Fields understands how lonely it can get on the road. That's something we guys perhaps overlook when we go to our local club to catch a visiting stacked feature star. Sure, we whoop it up and holler with appreciation as she do-shucks off her bra and wobbles her whammers in our flushed and happy faces. And when the show's over we head home feeling inspired by the lady's lusty performance, maybe nursing a chubby choad and wondering whether the wife feels up for a little late-night lovin'.

But what of the busty babe that's excited our arousal? Is there anyone around to cater to any carnal cravings she might have? Once she's tossed her stage props and costumes in the car, bid goodnight to the club staff and got into something more comfy than a sequined thong she'll often find herself alone in a strange town far from home. She's hungry as hell, seeking out the one diner that serves food after 2 a.m., then checking into the motel that interior design forgot to grab some shut-eye ahead of the long drive to her next gig tomorrow. The life of an exotic dancer suddenly doesn't seem so exotic, does it?

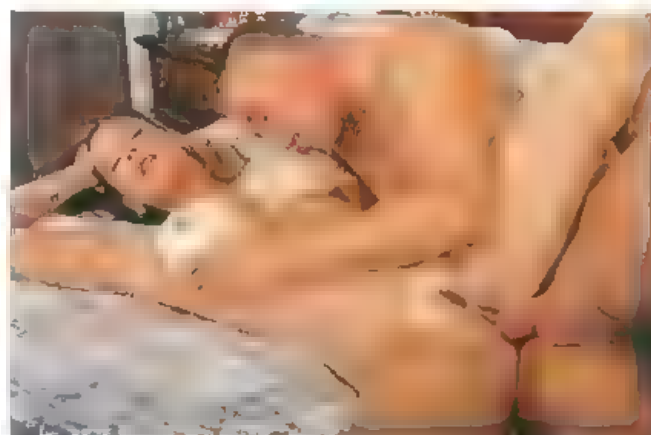

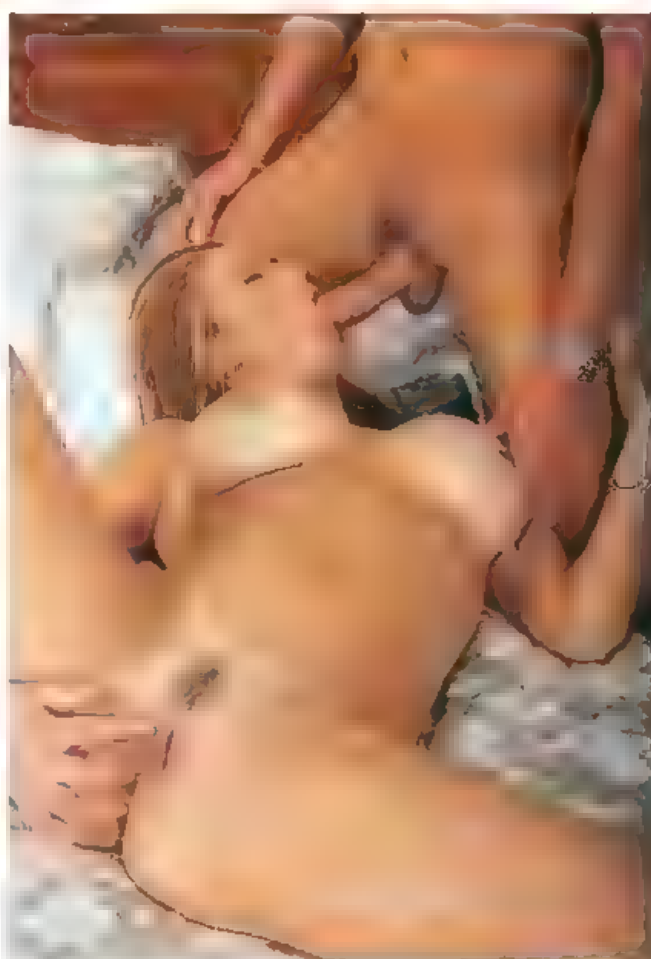

Valerie knows this scenario all too well. "That sounds familiar!" she agrees. "Of course now most name features will take a roadie with her—you need to with shows getting more and more complex. But everyone has those kinds of nights somewhere down the line. You find yourself stuck in some hellhole hotel and feeling blue. What you really need at times like that is a big dumb lug of a hunk like Blane here!"

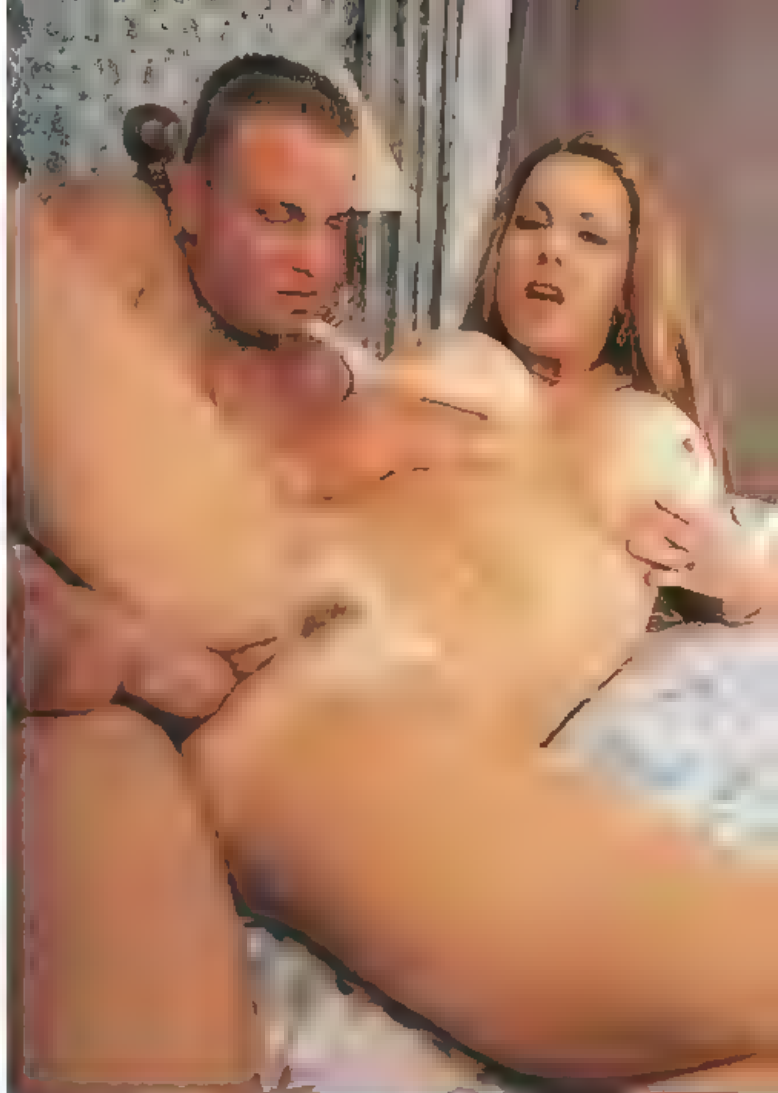

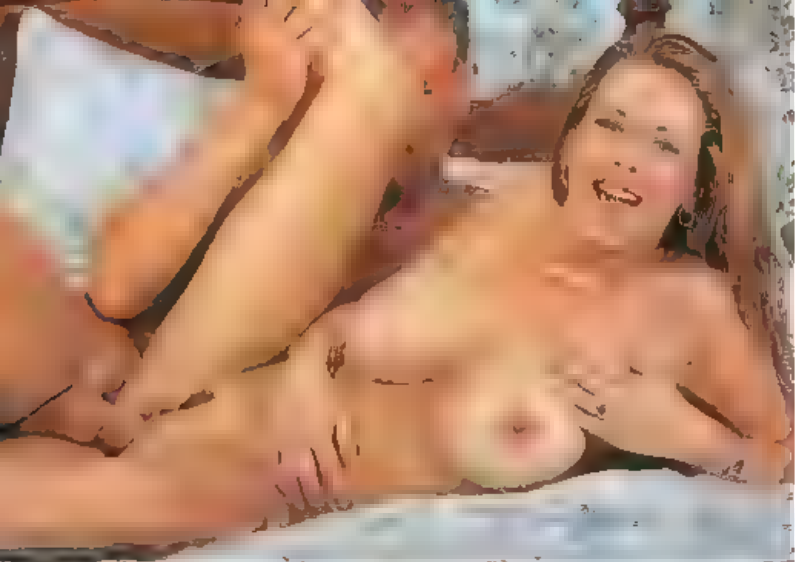

Ahh, we wondered when we'd get to him. According to Valerie, the burly ex-USMC stud is precisely the kind of cocksman she'd choose to help her pass a night in a strange burgh. "I found him in just that type of town," the 5'8", 36DD-23-34 bosomy brunette confides proudly, "can't even remember the name, but it was down South somewhere—the kind of place that specializes in beefcake rather than bra-nells. Which suits me, because clever conversation's the last thing I need!"

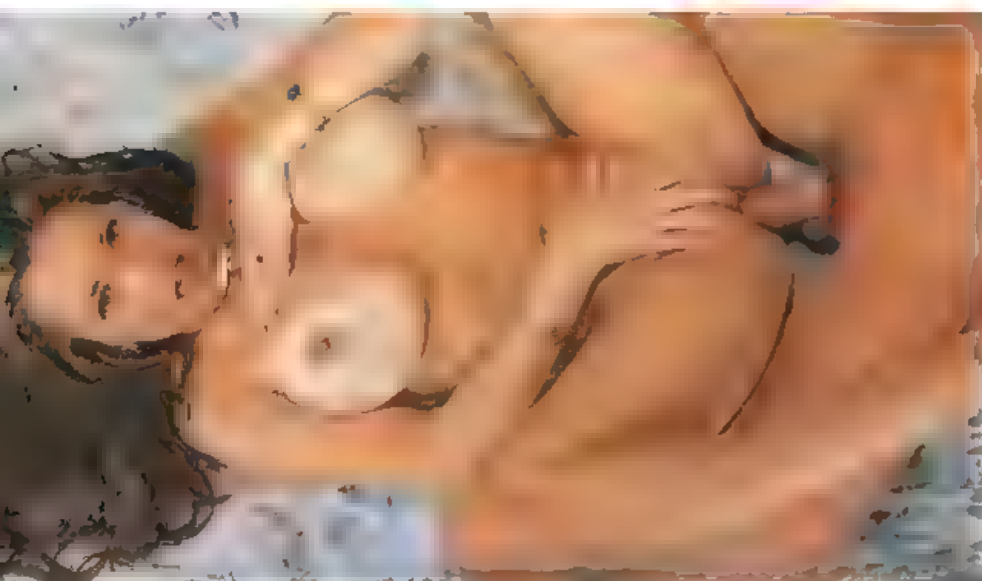

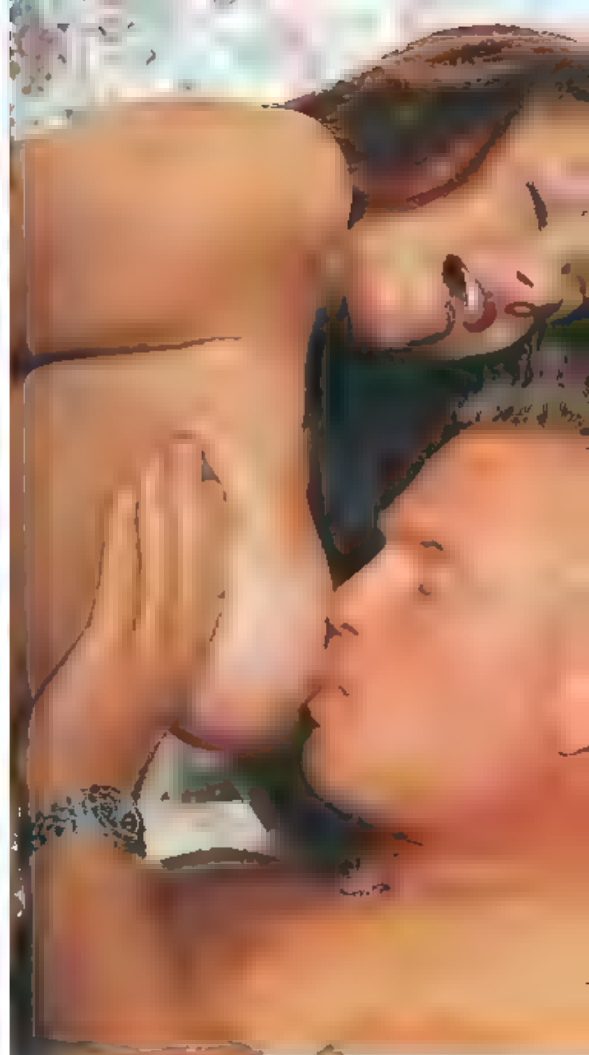

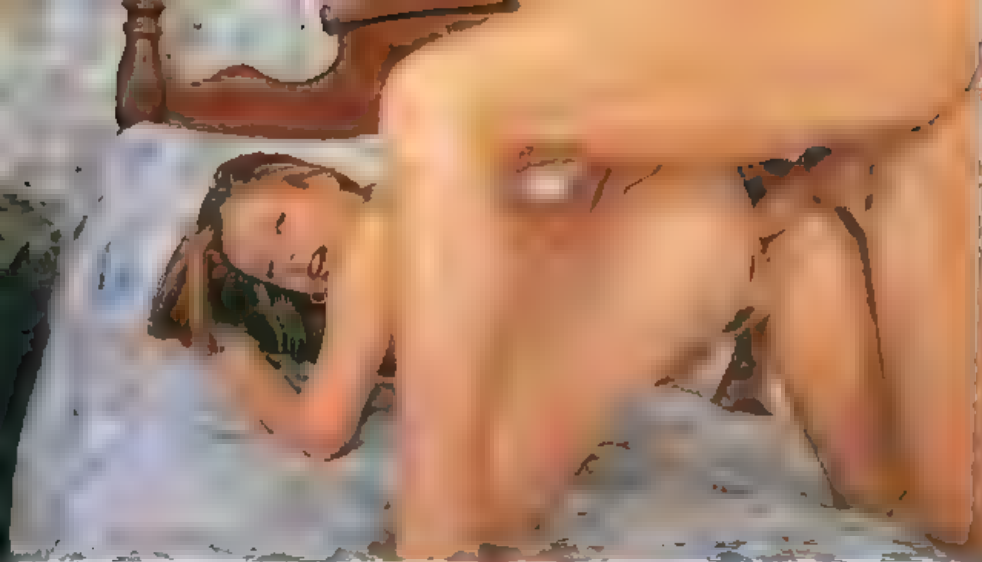

Valerie finds thrills aplenty in encounters like this. "I'm a performer in the sack for sure!" she chuckles. "I can't get off on lying there as the guy grinds away. I want to stoke the fire as high as it'll go—I like being loud, taking dirty. I like looking into his eyes as he's fucking me and telling him the stuff I want him to do. When he sucks on my titties I tell him he can fuck them if he wants—once he's gotten me off! That's how it was with Blane, and you can see my incentive worked!"

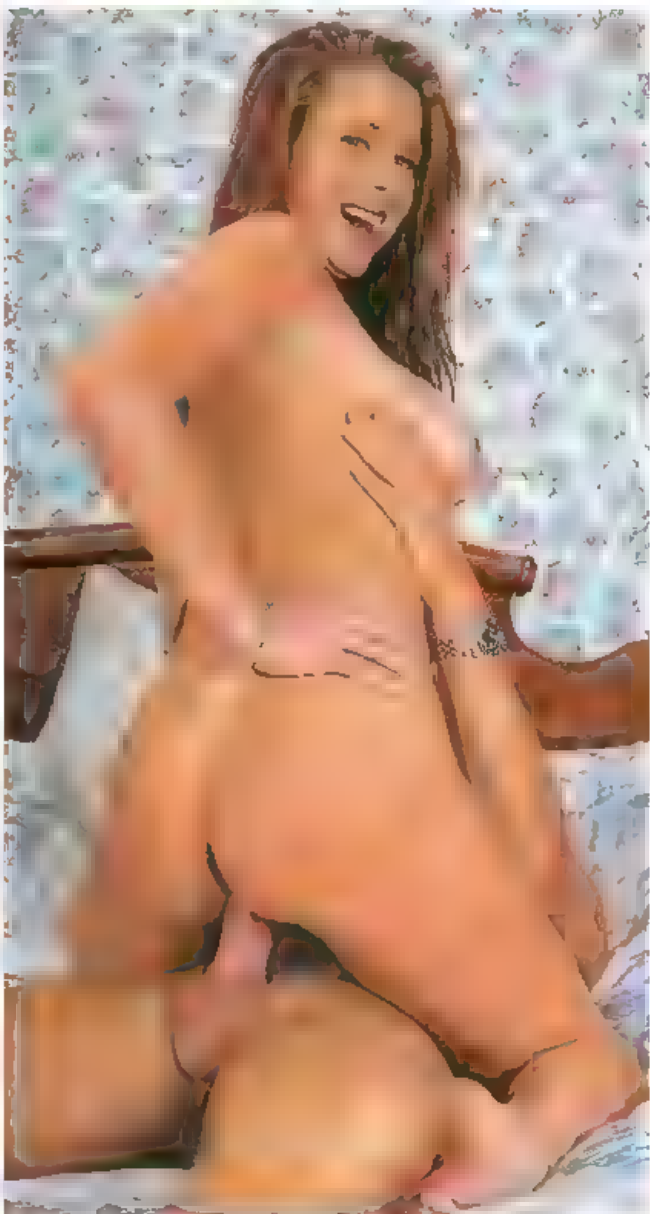

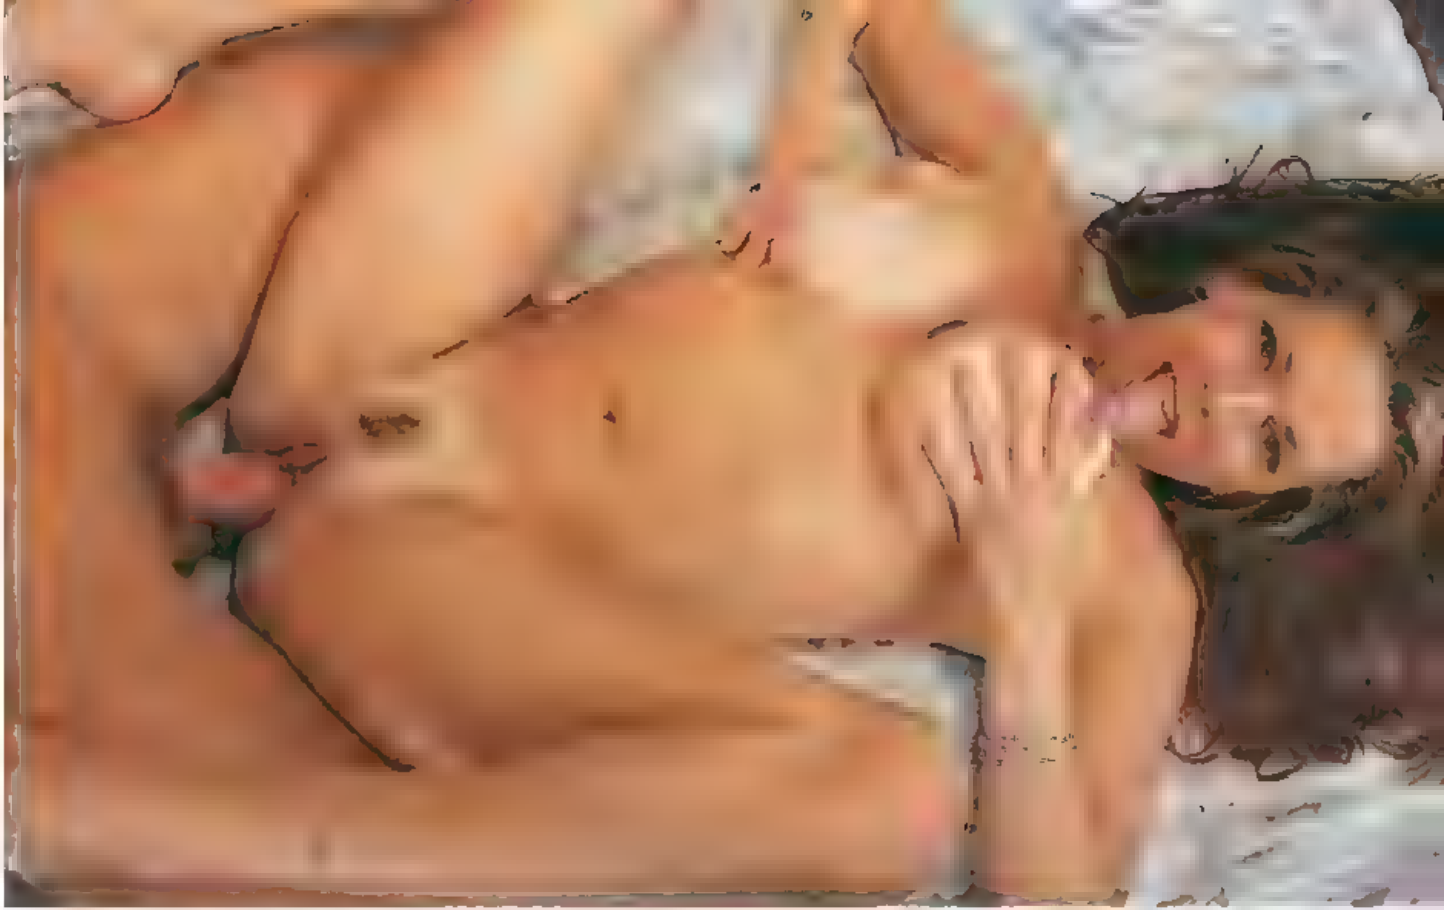

Uh-huh, she knows what presses the right buttons for us hooter hounds! "C'mon, with boobs big as these you think I don't get 'em boffed?" Valerie purrs, embracing Blane's log with her ripe rack. "I admit I never really got the appeal for guys at first. But I soon caught on—I saw how hard and horny guys got if they got their thing between them. And I saw the huge oads they blew for me! Guys are into the visual side of nasty—more than women maybe. There's not much gets you happier than giving a big pair everything in your balls, is there?"

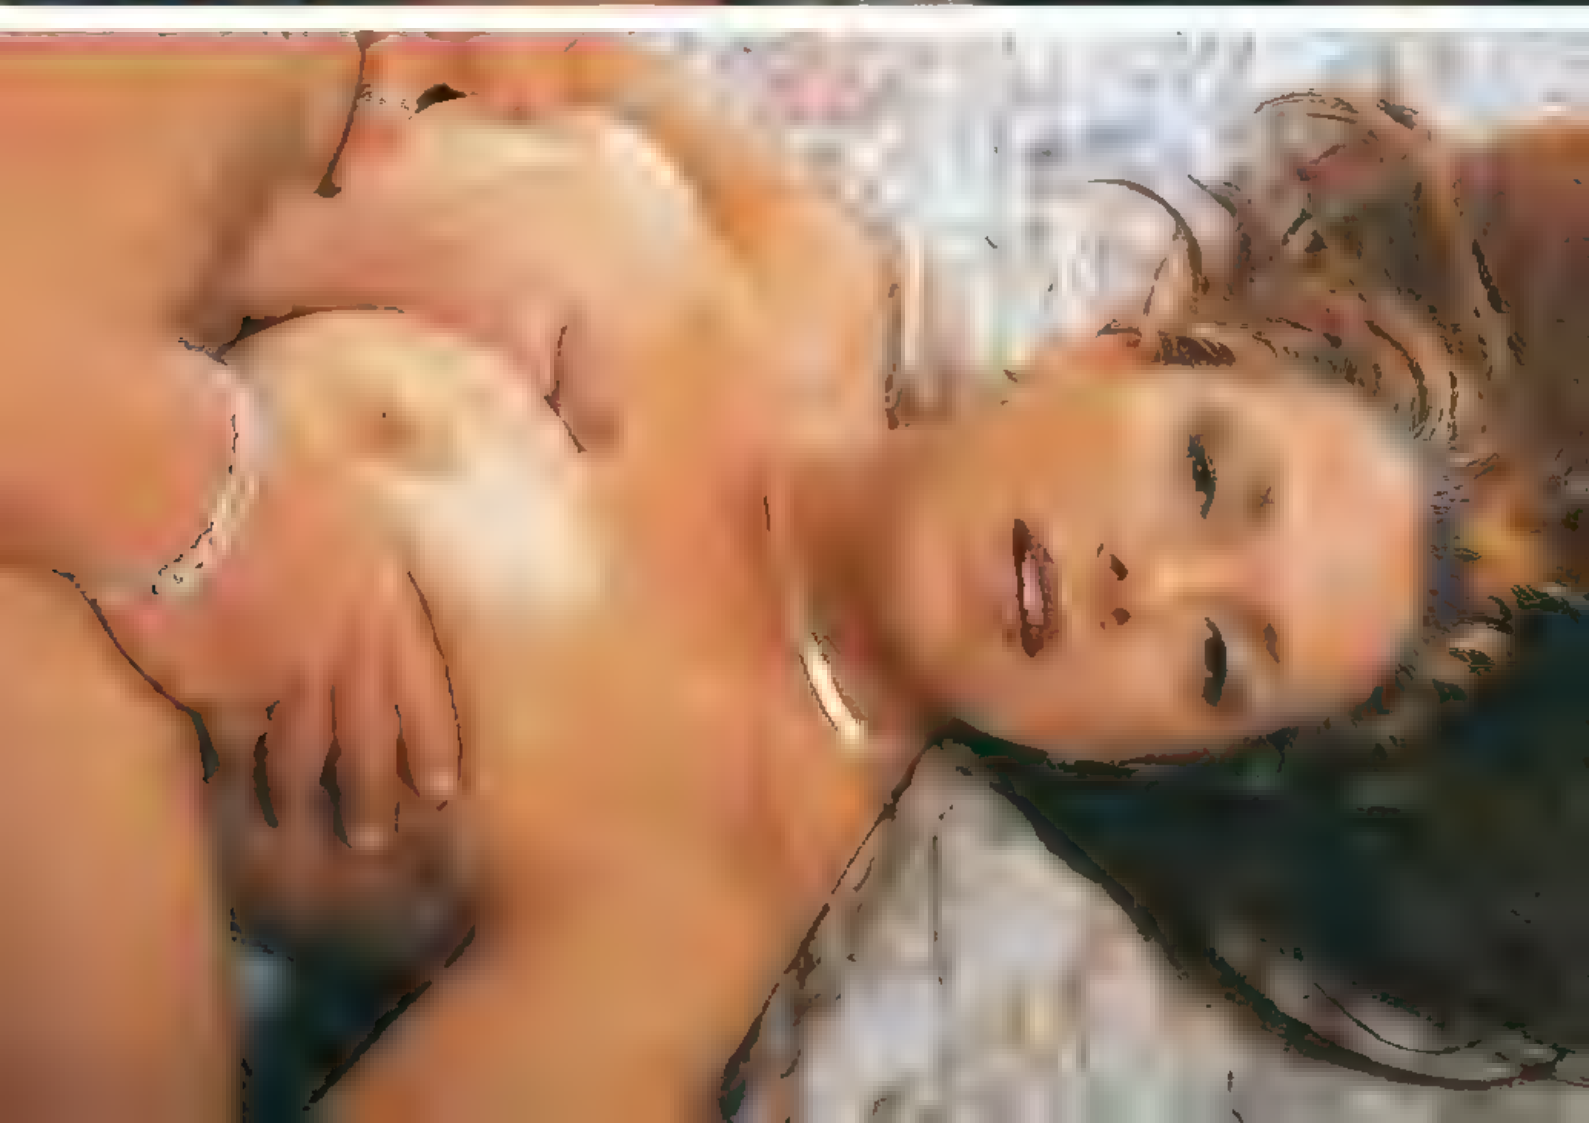

Valerie tightens her silky titty-tunnel around her stud's schlong and jiggles her juicy jugs to add extra friction. "You boys, huh?" she sighs happily. "If there's ever a chance to be super-nasty you always give it extra. Still, that only makes my nights go even better!"

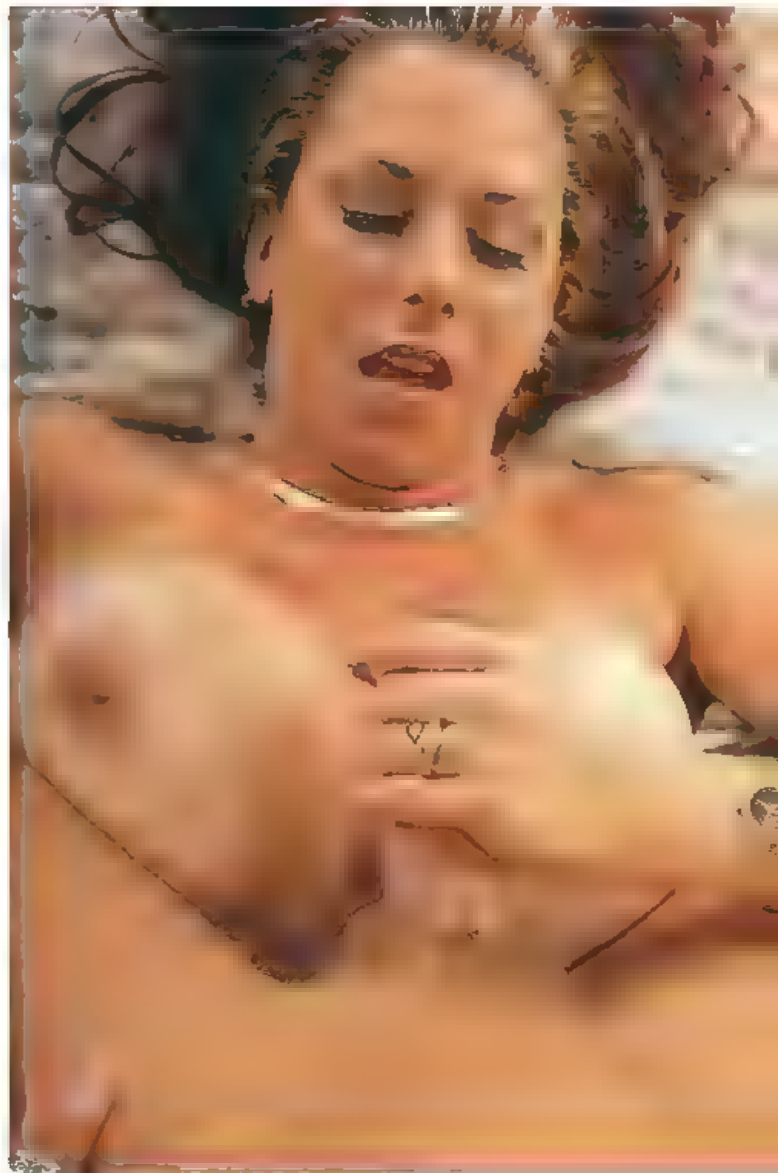

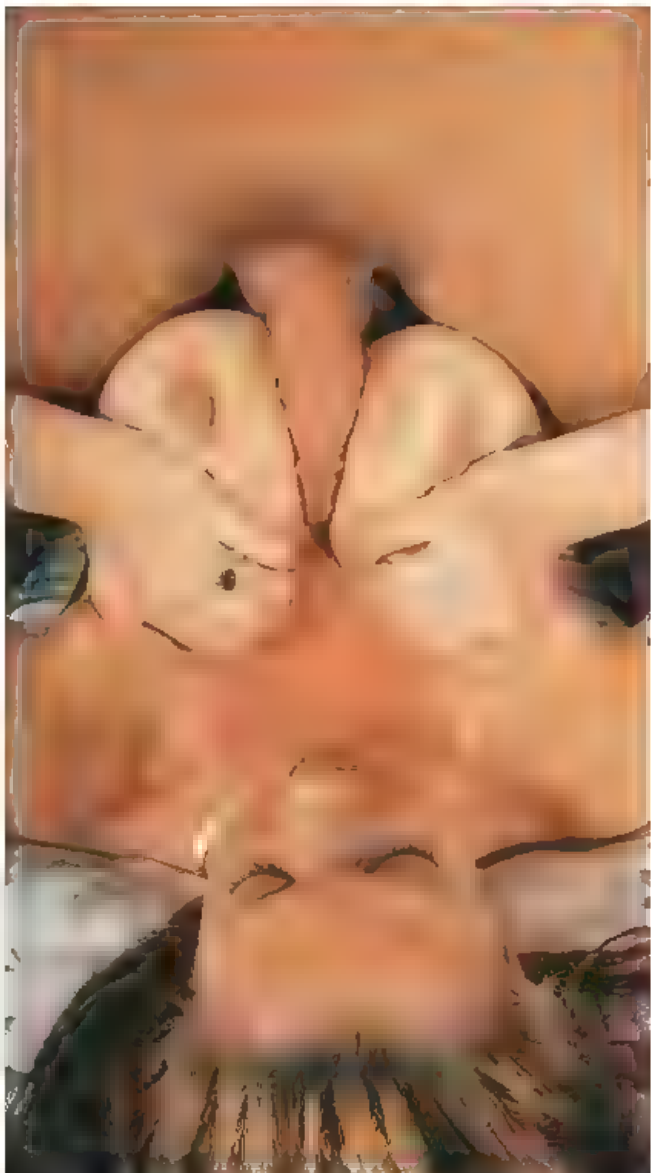

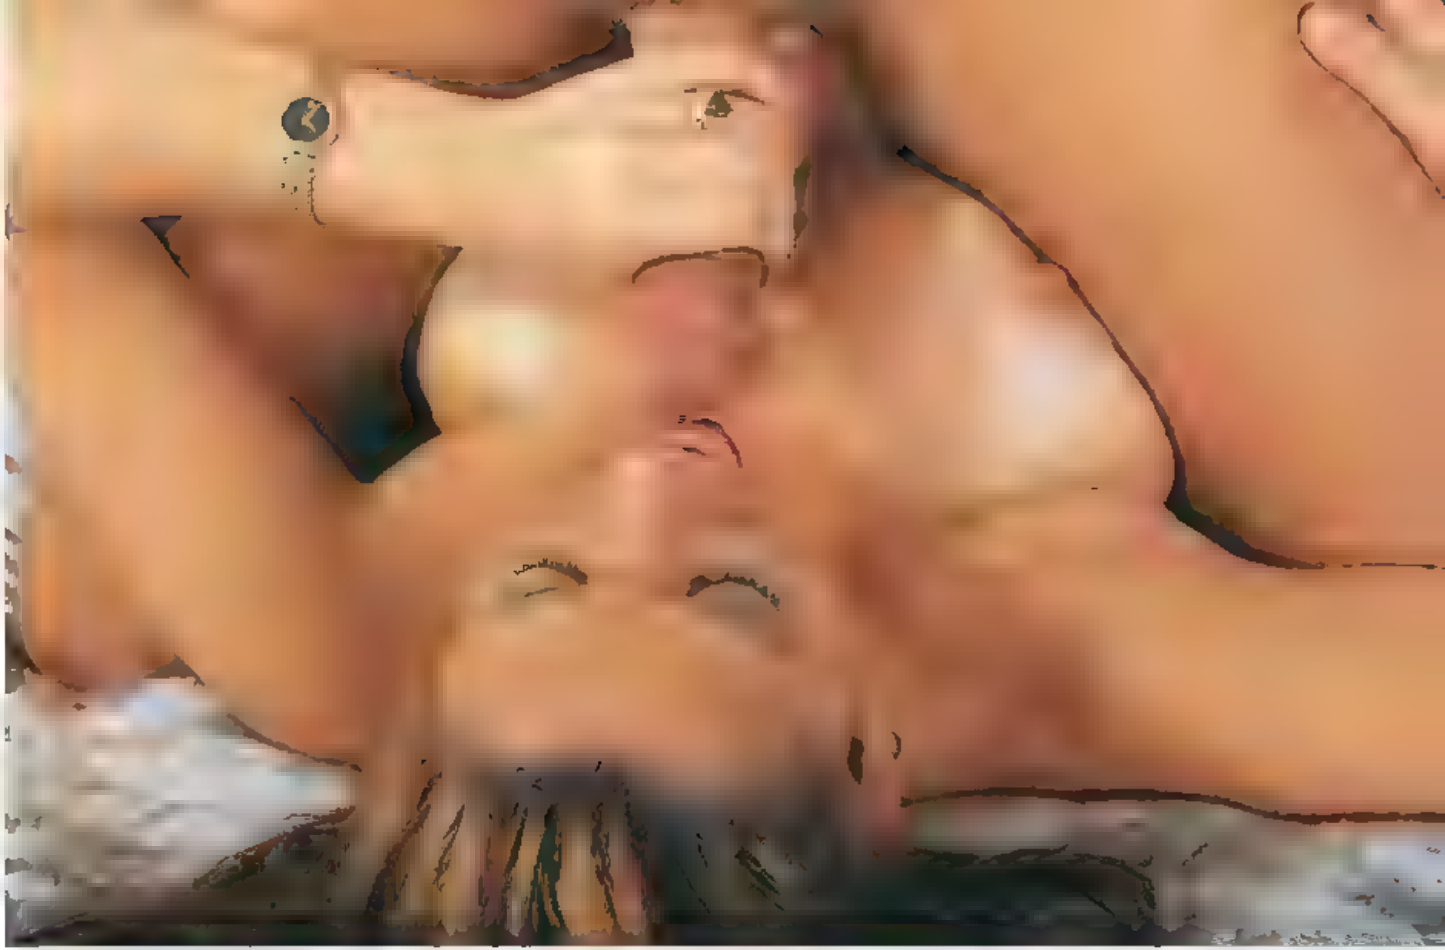

SARAH BLAKE

The brown-haired beauty with an ass to die for, Sarah Blake is a 24-year-old porn star that came out of the small town of Terre Haute, Indiana. She used the small-town ethics where she grew up as motivation to drive her to escape from the chains that bound her to that small town Midwestern mentality. Now Sarah finds herself in the middle of the hustle and bustle of porn valley making adult films. An all-natural beauty (5'1", 34B-25-33 and 105 pounds soaking wet) has certainly come a long way. A self-described "dorky tomboy" (she watched "Star Trek" and had a crush on Michael J. Fox) has gone from the cornfields to the pornfields. We caught up with this Midwestern up and comer and found out what makes this good girl oh so good!

Interview by Troy Michael

Genesis: You have an interesting ethnic background, being Native American. Do you know a lot about your Indian ancestors?

Sarah Blake: I know that I am Sioux, Iroquois and Blackfoot. I have a mix of a lot of other ethnicities such as German, English, Dutch, Swedish and a few others. I'm a mutt.

Funny, you don't look like a dog. Growing up in a small Midwestern town, what did you do there for fun before you got out?

I used to play pool and have sex mostly. Other than that, there wasn't much for teens to do besides do drugs, get into trouble or party.

So you were good with balls and sticks all along. Did you hustle a lot of pool games using your good looks and nice ass?

I have never played for money. But I was in a couple tournaments and still love to kick ass. I really like to play pool in strip clubs. A lot of the dancers are pretty good themselves and it's nice scenery while I win.

I've heard you are quite good under the hood of a car. Can you come over and change my oil?

Um, no. I suggest a Jiffy Lube in your area. I know how to change oil but it doesn't mean I enjoy doing it. Hehe

Maybe you could be the spokeswoman for Jiffy Lube?

(Laughs) I doubt they would go for that, but I'd do it. Who better to lure in the masses for a lube job than a porn star?

What kind of lube do you prefer?

I prefer waterbased lube if I need it. There are times when I'm so excited that lube would be overkill!

Are we still talking about cars? Where did you pick up on your mechanical skills—the Terre Haute Action Track? (The local race track famous for sprint car races.)

I used to date a guy that worked on cars and trucks all the time. I learned from him. I also know how to do body work with fiberglass and bondo for rust and dents. I plan on getting an old Chevy to restore after get a garage.

What kind of Chevy are you planning to fix up?

A '78 Chevy Silverado

Do you watch NASCAR too?

Yes, I used to listen to it on the radio and watch it when they had a race. I usually watched the last lap though.

You can also dry-wall a house I hear. Are those careers to fall back on?

Not really, just things I learned to do growing up without money to pay someone else to do it. I plan to use the remodeling skills to fix up homes and sell them.

If you worked on a construction site, the boys wouldn't get any work done. What would you do to get them motivated?

I'd tell them that I would wear a white T-shirt the next day and they could hose me down if we get our work done for today.

So we're guessing you were a tomboy?

Very much so, I was always climbing trees, outside doing something that girls usually didn't do. I never wore skirts or dresses.

How did you pry yourself away from the small town and working on cars to get into porn?

I moved to Memphis and entered an amateur strip contest and won—then another one, and I won again. I decided to dance for a while. While dancing at the local club, I met a girl that modeled in men's magazines and asked her how she got in. She told me that you just go and do it. I didn't quite believe her, but researched as much as I could on the Internet. There isn't much good info, but there are ads for agencies so I contacted a few. Off to L.A. I went and here I am today.

You've been in the porn industry about two years now—what's the biggest thing you have learned?

I've learned about my body and what's going on with it sexually. I know what I'm capable of and gain confidence from that. I never thought I'd ever be a porn star. I always wanted to be a model.

What are some favorite movies you have made?

Some of my favorites include *Barely Legal #46* (Hustler), *The Edge* (Kinn Work), *Girl on Girl* (Red Light District) and *Drive* (Vivid).

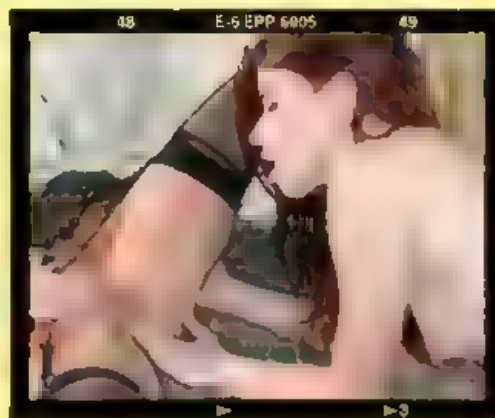

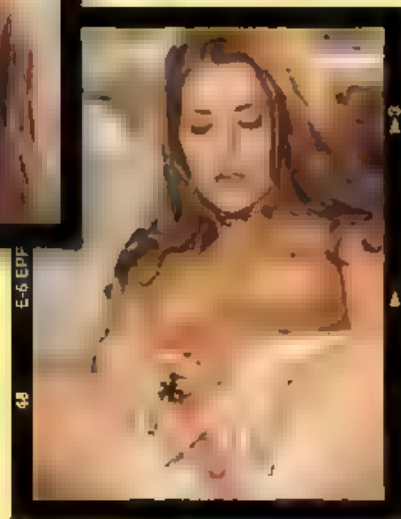

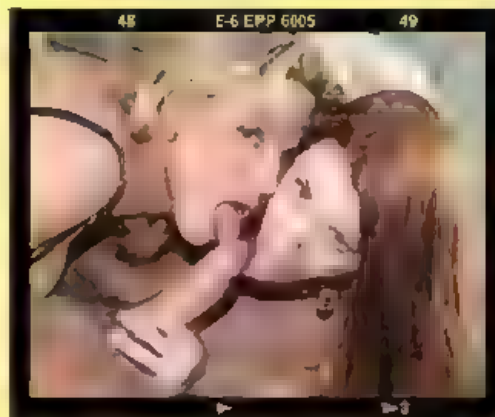

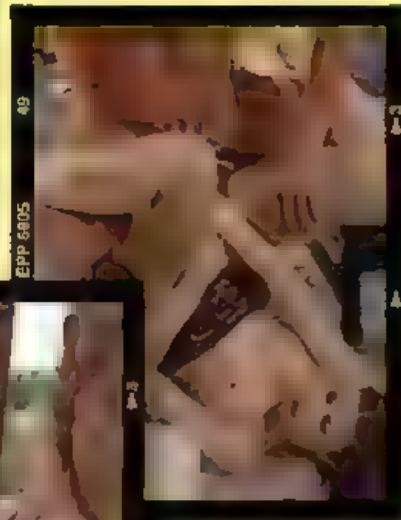

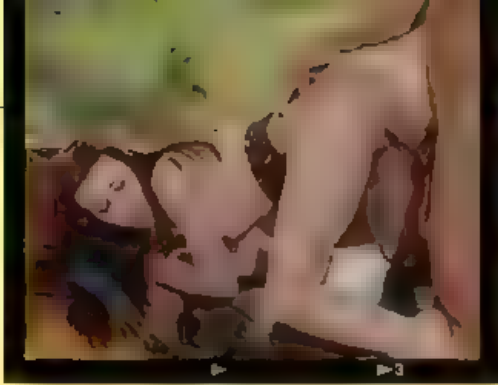

Do you watch your own porn?

Sometimes I watch my scenes to see how it all turned out. It's not easy for me to watch myself because I am too critical.

Do your folks know what you do?

My mom and my brothers all know what I do. My father passed away when I was still a baby. They are very supportive and understanding. As long as I'm happy and safe they have no problem with what I do for a living.

What is the best part about working in porn?

Have you always been sexually curious and open to sex?

I've always been curious and open to new things. I keep things exciting. I have had boyfriends that can't keep up with me.

So you were the neighborhood tease back in Indiana?

I was actually the shy book worm, the dorky tomboy. The

Being sexually fulfilled without all the drama I think that is the best answer I have ever gotten. What is the worst part about working in porn?

Working with someone you don't get along with or don't have any chemistry with.

flat-chested gal you didn't really look twice at. I was a real late bloomer.

What does the future hold for you in the adult film business?

The future holds many more movies and making my own movies as well as

shooting tons of new content for my site. I have recently gotten into some bondage modeling and that is proving to be very interesting and fun. I'm also doing more 'skmemax' movies so fans can see me there as well on late night HBO and Cinemax.

What is a fantasy you haven't done yet?

Every fantasy has been completed and I'm in the process of cooking up new ones. One current fantasy I have is being in a gangbang with a bunch of military guys in their uniforms.

Taira & Janie

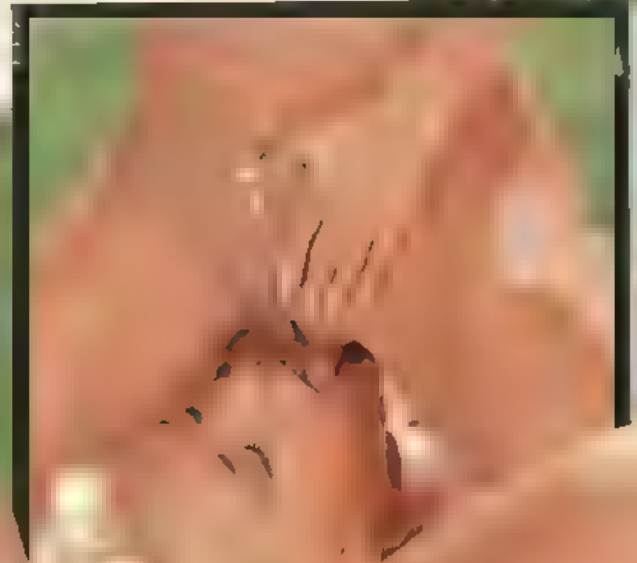

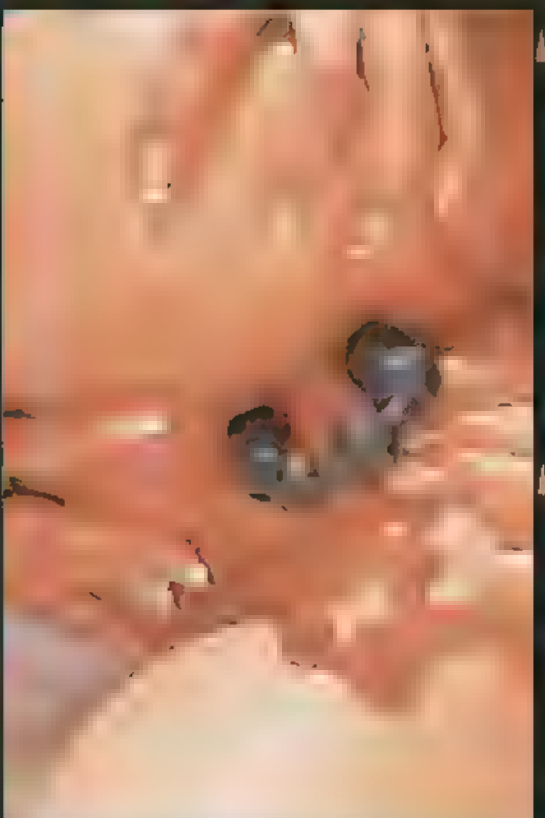

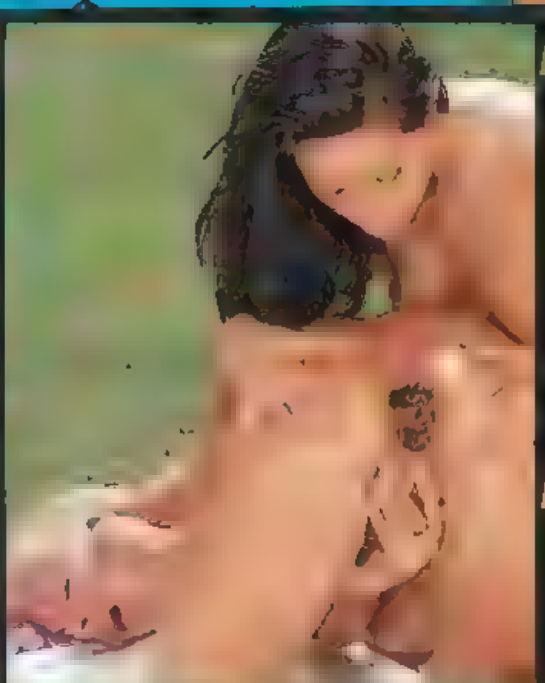

Tara and I have been friends forever, but when we both broke up with our respective loser boyfriends, we decided to experiment with each other! Without getting too deep, let me tell you guys this—Tara's cunt tastes like an ice cream sundae! It's sweet, wet, and you can lick it all day long! And Tara's tongue is one nasty thing! She'll get it up my slit, in my hole, and even make a trip to my ass just to show me how much she loves me! We make out and cum about ten times a day! And after we do it, we jump into her pool to get our girl goo off each other's faces and fingers! Hope you guys like the pix!
